

APPENDIX TABLES

A	Climatological data.	202
B	Water level and transparency.	204
C.	Atmospheric and water temperature.	205
D.	Vertical distribution of temperature (Station A).	206
E.	Vertical distribution of oxygen (Station A)	212
F.	Gross and net production and respiration (Station A)	217
G.	Production and respiration at various depths (Station A)	219
H	Vertical distribution of temperature (Station B)	225
I.	Vertical distribution of oxygen (Station B).	229
J.	Gross and net production and respiration.	233
K.	Production and respiration at different depths (Station B)	234
