Summary

| | |
|--|--------|
| Title of the topic | I |
| Introduction to the topic | I |
| Context of the problem and the author's contribution | I-II |
| History of the problem | II-III |
| Rationale of the study | III-IV |
| Need of the study | IV |
| Importance of the study | IV |
| Methodology followed | IV-V |
| Bibliography | V-VII |
| Presentation | VIII |

Chapter I

| | |
|---------------------|-------|
| Introduction | 1 - 6 |
|---------------------|-------|

Chapter II

| | |
|--------------------------------------|-------|
| Museum Architecture | 7-64 |
| a) General description | 7-25 |
| b) Adaptation | 26-27 |
| c) Buildings constructed for museums | 27-29 |
| d) General recommendations | 29-33 |
| e) Functions of a museum building | 34 |
| f) Special considerations | 34-46 |
| g) Planning of a museum building | 46-51 |
| Case studies | 52-64 |
| <i>Indian</i> | |
| 1. Museums of Chandigarh | 52-54 |
| 2. National Museum | 54-57 |
| 3. National Science Centre | 57-59 |
| 4. Crafts Museum | 60-61 |
| 5. Lalbai Dalpatbhai Museum | 61-62 |

| | |
|--|-------|
| <i>Foreign</i> | |
| 6. Muse d' Art Contemporani of Barcelona | 62-64 |

Chapter III

| | |
|---|---------|
| Museum Exterior | 65-128 |
| a) Location / Site | 65-77 |
| b) Compound | 78-82 |
| c) Style | 82-88 |
| d) Planning, Designing and Decoration of the building | 88-116 |
| e) Landscape | 116-118 |
| f) Museum building as an aesthetic object | 118-120 |
| Case studies | 121-128 |
| <i>Indian</i> | |
| Crafts Museum | 121-123 |
| <i>Foreign</i> | |
| Some controversial examples of France | 123-128 |

Chapter IV

| | |
|----------------------------|---------|
| Museum Interior | 129-211 |
| a) Galleries | 131-138 |
| b) Circulation | 138-139 |
| c) Routing | 139-140 |
| d) Floor | 140-146 |
| e) Walls | 146-149 |
| f) Colour | 149-155 |
| g) Ceiling | 155-157 |
| h) Stairways | 157-158 |
| i) Light and Ventilation | 158-170 |
| j) Architectural Acoustics | 170-171 |
| k) Organisation of Space | 171-174 |
| l) Orientation of Space | 174-182 |
| m) Distribution of Space | 182-188 |
| n) Reserve Collection Area | 189-191 |
| o) Receiving Areas | 191 |
| p) Lobby and Adjuncts | 191-192 |
| q) Laboratory | 192-194 |

| | |
|-------------------------------------|---------|
| r) Workshops | 194-195 |
| s) Studios | 195-196 |
| t) Library | 196-199 |
| u) Auditorium | 199-202 |
| v) Offices | 202-204 |
| w) Curatorial Cabins | 204-205 |
| x) Offices of the Educational Staff | 205-206 |
| y) Service Quarters | 206-207 |
| z) Changing Rooms | 207 |
| a1) Security Office | 207-208 |
| a2)Public Facilities | 208 |
| i) Parking | 208 |
| ii) Reception | 208-209 |
| iii) Ticket Counter | 209 |
| iv) Check-in-Counter and Cloak Room | 209 |
| v) Telephonebooth | 209 |
| vi) Watercooler | 209-210 |
| vii) Toilets | 210 |
| viii) Cafetaria | 210-211 |

Chapter V

| | |
|---|---------|
| Construction and Allied Matters | 212-279 |
| a) Maintenance | 212-216 |
| b) Security, protection and conservation | 216-233 |
| c) Natural Disasters | 233-237 |
| d) Construction material, methods, criteria | 237-244 |
| e) Equipment | 244-248 |
| f) Material | 248-252 |
| g) Orderliness | 252-253 |
| h) Building Rules and Regulations | 253-257 |
| i) Remodelling | 257-274 |
| j) Museum Marketing | 274-278 |
| k) Commercialisation of Museums | 278-279 |
| Conclusion | 280 |
| Appendix - I | |
| Appendix - II | i-xi |
