

APPENDIX B

1. Letter to Registrars of Universities in India
2. Preliminary information on post card.

Letter: to Registrars of Universities
in India*

Baroda

20th April 1979.

To:

The Registrar

Dear Sir,

I am a Ph.D. student in the Home Science Education and Extension Education Department who wishes to enlist your co-operation in a study on Professional Preferences of Home Science teachers which I believe would be of value in the field of Home Science in India.

For this research certain kinds of data are essential and have to be collected. I have great difficulty in locating affiliated colleges which offer Home Science as one of the optional subjects for a degree or diploma.

May I request you to send me a list of names and correct postal addresses of the affiliated colleges of your University which offer Home Science as a subject, or a degree or diploma. I enclose a self addressed envelop for your convenience.

I would greatly appreciate, if the above information is sent within a fortnight so that I can proceed with my research.

Please allow me to express my grateful thanks in anticipation of your assistance.

Thanking you,

Yours sincerely,

Encl:

(Ansuya U.Rane)

Reply Post Card

Dear Madam/Sir

This comes to you as a personal request to help in connection with my doctoral research, regarding college teachers.

I urgently require some information asked for in the reply post-card without which it will be difficult to proceed further in my research.

I will be grateful if this is sent as soon as possible, by _____.

I would appreciate if you could also mail a complimentary copy of your prospectus to me.

Looking forward to contacting you again for your valuable cooperation.

Thanking you,

Yours sincerely

(Ansuya U.Rana)
