

#### APPENDIX E

1. Letter and Proforma sent to Principals and Educators to collect Experience Data on Behaviours of Committed Teachers.
2. Reminder to Principals for obtaining lists of teachers.

Baroda

26th July 1979.

Dear Sir/Madam

I introduce myself as a post-graduate student of the Faculty of Home Science, Department of Education and Extension Education, M.S.University, Baroda. For my doctoral dissertation, I am interested in studying the professional preferences of committed home science teachers.

People in general have an idea of committed persons and may also be able to express the attributes that describe committed members of the teaching profession. However, I feel that members of the teaching profession are the most appropriate persons to give an authentic description, which would help to identify the attributes of a committed member of the teaching profession. I, therefore seek to enlist your valuable cooperation and professional expertise. Your interest and effort will go a long way in making this study successful.

I would be grateful if you would respond to the attached proforma and return it within a weeks time, in the enclosed self-addressed envelop. You are also requested to send a list of names of the teachers teaching Home Science subjects in your college to be used for research purposes only. Only after receiving this information will I be able to proceed with my study. I shall look forward to receiving the information soon.

Please allow me to express my grateful thanks in anticipation of your interest and assistance.

Yours faithfully,

( Ansuya U.Rana )

Encl:

PROFORMA

The term commitment to the teaching profession, refers to the dedication or devotion of a teacher to the profession.

It is assumed that behavioural evidences are a basis to judge the level of commitment of teachers. In your experience you may have observed several behaviours of professionally committed teachers, on the basis of which one can judge the level of commitment of teachers.

You are requested to state those behaviours that you think best describe the committed teacher.

2.       Reminder to Principals for obtaining list of  
          Home Science Teachers

Baroda

20th Sept.1979.

Dear Sir/Madam,

Allow me first to express my deep sense of gratitude for your interest and co-operation in my doctoral research. In relation to my research, you were mailed a reminder dated 12th September 1979 to kindly send a list of all the teachers in your college and specify those who teach Home Science subjects.

If you have not mailed the list of teachers of your college you are requested to do so today. This information is urgently required, only after receiving this information will I be able to proceed with my study. I shall look forward to receiving the information soon. A self-addressed envelop was already provided earlier.

Thanking you in anticipation of your interest and co-operation.

Yours faithfully,

( Ansuya U.Rana )
