

ACKNOWLEDGEMENTS

I wish to convey my deep sense of gratitude to Prof.P.S.Chari, Home Science Education and Extension department, Faculty of Home Science for her invaluable guidance and interest in the research study. Miss Chari's scholarship and involvement has been a constant source of inspiration and encouragement.

My sincere appreciation is extended to Dr.T.S.Saraswathi, Reader, Child Development Department, Faculty of Home Science, and Dr.A.G.Phatak, Professor of Statistics, Department of Statistics, Faculty of Science, M.S.University of Baroda, members of the Advisory Committee who have gone out of their way to extend assistance and cooperation.

I am particularly thankful to Dr.T.S.Saraswathi for her expert comments and suggestions at several phases of the research programme. I am grateful to Dr.A.G.Phatak for being painstaking and generous in spending time to deal with problems of statistical analysis.

I would also like to thank Dr.D.K.Shah, Reader, Statistical Service Unit, Department of Statistics, who jointly with Dr.Phatak prepared a program for Principal Component Analysis.

Special acknowledgement is made to Dr.P.Dekhtawala, Lecturer, Faculty of Education and Psychology and Dr.R.Vaniker, Reader, Department of English, Faculty of Arts, M.S.University of Baroda, for their assistance.

I am indebted to Mrs.Kaushalya M.Rana for making available certain recent and relevant literature from abroad and to Miss Swarna Lobo for her ready help in collection of materials.

Special thanks are due to Miss Anita Thomas, Lecturer, Education and Extension department, Faculty of Home Science for her meticulous proof reading, and to Mr.Chandrekant J.Mehta for designing the layout for printing the research tool used in the study.

I would like to make special reference to Registrars, of various universities, Principals and other heads of institutions for their assistance and willingness to furnish necessary information.

I am deeply obliged to my respondents, teachers of Home Science colleges for their ready cooperation.

Mr.K.G.Vaidya, Head, Order Section, Hansa Mehta Library, and Mrs.S.S.Padhye, Librarian, Centre of Advanced Study, call for special mention for their help in procuring relevant literature for the study.

Special note of thanks to Mr.B.S.Zaveri for his patience and care in typing the manuscript.
