Baroda

15th Sept.1979.

Dear Teacher,

For my doctoral research, I am making an inventory of Reasons (other than "Interest in Teaching") given by Teachers for staying in the Teaching Profession. This information is very important for my study, and the success of my research depends entirely upon your co-operation.

I shall be extremely grateful, if you could kindly complete the attached performa by 1st October, 1979, as I have a deadline to meet in my data collection.

Please donot write your name on the proforma. May I assure you that your responses will be kept strictly confidential, and will be used for research purposes only.

Thanking you in anticipation,

Yours faithfully,

(Ansuya U.Rena)
