

APPENDIX J

Letter to Administrators of Colleges  
in India to Judge the Suitability  
of the OCDQ

6th October, 1979.

Dear:

Allow me first to express my deep sense of gratitude for your cooperation and interest shown in my doctoral research. This has further prompted me to enlist your expertise as an administrator of an educational organization for judging the suitability of a questionnaire which measures the "Organisational Climates" of educational institutions. The questionnaire is to be administered to principals and teachers of Home Science colleges in India.

The questionnaire consists of statements describing typical behaviours or conditions that occur within a college organization. You are requested to judge the applicability of these items to college conditions in general, in the Indian context. Kindly write N.A. in the column not applicable against those items which you think are "not applicable".

I shall be extremely grateful if you could kindly mail it to me by 15th October 1979 in the enclosed self addressed envelop.

Thanking you once again,

Yours faithfully,

( Ansuya U.Rana )
