

### ACKNOWLEDGEMENT

I am extremely happy to submit my thesis on the topic "PROTECTION OF PUBLIC INTEREST THROUGH DISCLOSURES UNDER THE COMPANIES ACT, 1956" ( A STUDY OF LEGAL FRAMEWORK). I have been able to complete my work, despite my other engagements, only because of the help rendered by many well wishers, whom I would like to mention in brief.

I must acknowledge my deep sense of gratitude to the authorities of the M.S.University of Baroda for permitting me to pursue my research work as an independent candidate and for facilitating my work all along.

I take this opportunity to convey my deep sense of gratitude to respected Prof. (Dr.) H.C. Dholakia, M.A. LL.M. (Cornell) Ph.D. (Bom.) for the gracious and continuous encouragement given to me by him. Dr.Dholakia, is eminent legal luminary, my teacher, and a wise counsellor to whom goes the credit for encouraging me in completing this humble work.

I am also grateful to Shri D.B.Naik, Reader in Law for encouragement and help in completing this work. I am also grateful to Shri H.D.Panjwani for allowing me

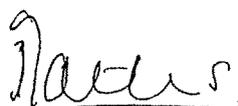

to use his library for my research work. I am also grateful to my other colleagues for helping me in my work.

I am also thankful to the library staff of Smt. Hansa Mehta Library, Baroda for providing me with relevant reading material.

Publications like Paley's Company Law and Company Precedents, Halsbury's Law of England, Power's Principle of Modern Company Law and Guide to Companies Act by A. Ramaiya are Bibles of corporate law and it is impossible not to be influenced by them as they form a part of my basic education. I acknowledge my deep gratitude to these publications and also to other publications mentioned in the Bibliography.

I have made an humble attempt to deal with all aspects of doctrine of disclosure mainly from the angles of the Companies Act, 1956 and have also drawn references from English Companies Act and other related matters/Acts.

In the end, I sincerely acknowledge with gratitude, all those known and unknown persons, who have knowingly or unknowingly contributed in achieving this most desirous goal in life.
