APPENDIX – I : INTERVIEW SCHEDULE

INFORMATION ABOUT R-R SITE

1. R-R Site : \_\_\_\_\_  
Taluka : \_\_\_\_\_ District : \_\_\_\_\_  
Host village : \_\_\_\_\_
2. Year of establishment : \_\_\_\_\_
3. Number of PAFs in the site :  
On Record : \_\_\_\_\_ Actual Number : \_\_\_\_\_

4. Submergence village of PAFs :

Sr.No.	Submergence Village	No. of PAFs
1		
2		
3		
4		
5		

5. Social groups (Tribes) at R-R site :

Sr.No.	Tribe	No. of PAFs
1		
2		
3		
4		
5		

6. Distance of agricultural cooperative from R-R site (if any) : \_\_\_\_\_
7. Number of PAFs availing its benefit : \_\_\_\_\_
8. Nearby milk cooperative (if any) :  
Name : \_\_\_\_\_  
Distance from R-R site : \_\_\_\_\_
9. Number of member PAFs in milk cooperative : \_\_\_\_\_

10. Occupation of PAFs in R-R site :
  - a) Agriculture :
  - b) Agriculture labour :
  - c) Government service :
  - d) G.I.D.C.
  - e) Others
11. Activities of vasahat samiti :
12. Number of PAFs elected in Panchayat

**APPENDIX - II**

**KEY INFORMANTS (SARPANCH / VASAHAT)**

- (I)    Name :  
      Age :                      Education :                      R-R Site :  
      Taluka :                      Dist :                      .
- 1)    All PAFs have title                      Yes                      No                      Other  
      to cultivable land in the site
- 2)    There is no landlessness                      Yes                      No                      Other
- 3)    Crop yields improved                      Yes                      No                      Other
- 4)    PAFs find difficult to adjust    Yes                      No                      Other  
      with agricultural cycle,  
      method & type of crops  
      grown in site
- 5)    In what way do you contribute in the process of resettlement?
- 6)    Do you feel, you can still contribute as a well wisher of the people?  
      In what way?
- (II)    People's Participation :
- 7)    Your view about people's participation as a -  
      A) Social Utit –
- a) Occasions  
      b) Mode of participation (cash / kind / grains / fuel wood / other)  
      c) Frequency of participation in a year  
      d) Participants (men, women, teenagers, etc.)

- 8) Your view about infrastructural facilities at site  
(road, transport, communication, civic amenities) daily groceries and services etc. availability, accessibility, utilization)
- 9) Your view about people's adjustment and reintegration potential  
(adapting language, clothes, employment, market economy, lending borrowing, participation local organizations, youth / mahila mandal, formation of any organization at site; overall perception of R-R induced changes on the part of PAFs)
- (1) Language
  - (2) Costumes (clothing)
  - (3) Employment / Income generation activity
  - (4) Market
  - (5) Lending borrowing
  - (6) Participation in local organization  
(yuvak mandal / mahila mandal / bhajan mandal / others)
  - (7) Political participation
  - (8) Overall feelings of people towards changes due to R-R

**APPENDIX – III**

**PSYCHO-SOCIAL STUDY OF PROJECT AFFECTED FAMILIES  
OF SARDAR SAROVAR PROJECT (GUJARAT)**

**(I) Personal Information :**

1. Name
2. Sex
3. Age
4. Address
5. Education
6. Tribe :  
Tadavi                      Vasava                      Dungari Bhil  
Rathawa                      Nayaka                      Other                      (specify)
7. Occupation :  

Government Employee	Agriculture
Small Farmers	Marginal Farmers
Medium Farmers	Agricultural Labourer
Construction Labour	Self Employment
Mixed	Other                      (specify)
8. Duration of stay in resettlement site :  

Less than 5 years	6-10 years
More than 10 years	

**(II) R and R (Resettlement and Rehabilitation) Process :**

- Preshift process
- During shift
- Post-shift

(II)(A) Preshift Process :

9. Were you consulted prior to the shift?  
Yes                      No                      Neutral
10. Was assessment / survey of land, house and other assets done?  
Yes                      No                      Neutral
11. Were compensation notices issued and amount fixed?  
Yes                      No                      Neutral
12. Is the compensation adequate?  
Yes                      No                      Neutral
13. Was the compensation given in time?  
Yes                      No                      Neutral
14. Please narrate difficulties / problem prior shift.

(II)(B) During Shift process :

15. State the facilities experienced during shift process.
16. State the difficulties faced during shift process.
17. What was government approach during shift?
18. How did you feel when you were asked to shift?
- |            |         |      |
|------------|---------|------|
| Confusion  | Anxiety | Fear |
| Insecurity | Other   |      |
19. How did you wife react?
20. How did your parents react?
21. How did community react to it?

(III) Post-shift Process :

(III) (A) Material wellbeing (land, income, food, clothing, housing and environment, land)

(A)1. Land :

22. Did every eligible member in family get land as per entitlement?  
Yes                      No

23. Land is beneficial because
- 1.
  - 2.
  - 3.
  - 4.
- Land is not beneficial because
- 1.
  - 2.
  - 3.
  - 4.
24. State it's effect on livestock.
25. Suggestions
- (A)2 Economic condition :
26. Farm economy at R-R site improved.  
Yes                      No                      Neutral
27. Are employment opportunities available?  
Yes                      No                      Neutral
28. Has overall income increased?  
Yes                      No                      Neutral
29. Has indebtedness increased?  
Yes                      No                      Neutral
30. Are loans to be availed?  
Yes                      No
31. Purposes for seeking loans – agricultural / social / health / education / business / others
32. State the rate of interest.
33. Difficulties in availing loan, if any :
34. Is there increase in food expenditure?  
Yes                      No                      Neutral

35. Is there increase in expenditure towards health?  
Yes                      No                      Neutral
36. Is there increase in expenditure towards education?  
Yes                      No                      Neutral
37. Has your saving potential has increased?  
Yes                      No                      Neutral
38. Did you get training for employment purpose, if any (vocational training) imparted by NGO / SSPA / Govt. department – DRDA, Panchayat etc.  
Yes                      No                      Neutral

(A)3. Health

39. Access to health care facility is easier / manageable / difficult / not possible  
(distance between residence and health care facility \_\_\_\_\_ km)

40. Frequency of illness among -

	Increased	Same	Reduced
Children			
Women			
Men			

41. Type/s of illness among -  
Children  
Women  
Men

42. Your experience of available health care facility :

43. Whom do you approach for treatment when ill? Why?

(A)4. Education :

44. What is the distance between R-R site and school?

45. Are you able to access educational facility better than before?  
Yes                      No                      Neutral

46. Does the school function regularly?  
Yes                      No                      Neutral

47. Are teachers attentive to learning needs of the children?  
Yes                      No                      Neutral

48. Difficulties relating with education of children.

- a) Language
- b) Method of teaching
- c) Content / Syllabus
- d) Any other

(A)5. Food and Nutrition :

49. Food contents in daily meal :

50. What change in food items is made, if any :

51. Have you changed your cooking practices, if any :

52. Difficulties you have faced while adopting new dietary habits and cooking practices.

53. How did you managed it?

54. Grain storage facility.

(A)6. Water facility :

55. Sources of water are -

- Taps
- Hand pumps
- Wells
- Any other

56. What are your experiences with available water facility (time, frequency, distance, regularity, charges, etc.)

- Time
- Frequency
- Distance
- Regularity
- Charges
- Any other

57. Difficulties associated with it, if any.

58. How do you overcome those difficulties?

(A)7. Clothing style :

59. Clothing pattern for -  
Women  
Men

60. Your response to changed clothing pattern (liking, suitable cost, etc.)

(A)8. Housing and environment :

61. Your view about your house (in terms of size, ventilation, facilities, facilities for domestic animals, if any etc.)

62. Your experience with the same (emotional aspect, appropriateness regarding domestic work, cattle rearing, etc.)

63. Difficulties associated with the same.

64. How did you manage it? (physical and emotional efforts)

(III)B. Quality of family life :

65. What is the change in family's structure?

67. Your view about your family at the site :

- Compensation
- Interaction / communication
- Emotional bonding
- Role performance and difficulties

Satisfied      Not satisfied      Don't know      Difficulty

- a) as a son
- b) as a husband
- c) as a father/mother
- d) Other role/s

68. State change in family's functioning (if any) :

69. Experiences and views of other family members regarding quality of family life at the site.

- Parents
- Wife
- Children
- Others

70. Is life full of difficulties and problems  
Agree / Disagree / Undecided
71. You feel tired both – physically and mentally
72. You face tensions and strains
73. You feel happy with own family members.
74. Your family members feel happy to live together.
75. You feel you are getting alienated from my family.
76. Complaints by family members, if any
- (III)C Quality of Social Life : (PAFs – PAFs, PAFs & Host village at site;  
PAFs – PAFs at different sites)
77. Tribes (social group)
- At site :
- Host village :
78. Your view of relationship among PAFs in same vasahat (site) :
- Cooperation
  - Lending
  - Borrowing
  - Participation in celebrations
  - Festival celebration
  - Emergencies
  - Customs – traditions
  - Others
79. Difficulties faced :
80. Your efforts to overcome those difficulties.
81. Your view of relationship among PAFs in different sites.
82. Difficulties faced
83. Efforts to overcome the same

84. Your view about relationships between PAFs and host village.
- Interaction – frequency
  - Reasons
  - Content of interaction
  - Outcome
85. Difficulties / problems faced during interaction (hostility, stealings, shortage, tensions etc.)
86. How do you manage / overcome it?
87. Do you feel that bonding among traditional social groups has -  
Improved                      Remained same                      Reduced
88. Do you feel that social hierarchies have -  
Continued                      Diluted                      Broken
- (IV) Religion :
89. Do you feel religious rites and beliefs are threatened?  
Always                      Most of times                      Sometimes                      Never
90. Do you find rituals difficult in absence of mahuda trees at sites?  
Always                      Most of times                      Sometimes                      Never
91. Do you visit hills to collect mahuda to perform rituals?  
Always                      Most of times                      Sometimes                      Never
92. Do Hamlets recognize village God? (Pantheon)  
Always                      Most of times                      Sometimes                      Never
- (V) Infrastructure Facilities :
93. Approach road is needed?
94. Approach road is constructed?
95. Is it pucca?
96. Bus frequency is adequate.

97. R&R site has cooperative societies?  
 Yes                      No
- Which type?  
 Milk Coop.                      Credit Co-op.                      Milk collection centre                      Other
98. Daily groceries and services (tailoring / hair cutting / smithies / flour mill etc.)  
 Are easily accessible                      At manageable distance  
 Far off
- How far?                      1-3 kms                      3-5 kms                      Beyond 5 kms.
99. Electricity facility is -  
 Better                      Same                      Worsened
100. Drainage facility is -  
 Better                      Same                      Worsened
101. It is -  
 Easier                      Difficult
- to communicate with other relatives during emergency.
102. Telephone booth is -  
 Nearer                      Far off
103. Telephone works for -  
 24 hours                      Only for few hours                      Out of order
104. Please state difficulty / problem faced, if any.

(VI) Rehabilitation Potential Scale :

105. My family members feel closely attached to one another.  
 Yes                      No                      Other
106. I consider my family, a source of help to most of the problems.  
 Yes                      No                      Other
107. I feel confident that relatives and friends will help me during difficulties.  
 Yes                      No                      Other
108. I feel joyful of being part of this site.  
 Yes                      No                      Other

109. I feel I can manage situation even when they don't turnout as expected
110. I feel confident in coping with the future demands.  
Yes                      No                      Other
111. I don't get disappointed with the common worries of daily life.  
Yes                      No                      Other
112. Compared with the past, I feel the present life is better.  
Yes                      No                      Other
113. I feel, I have achieved the standard of living.  
Yes                      No                      Other
114. I feel, I have achieved expected social status.  
Yes                      No                      Other
115. I feel my life is interesting.  
Yes                      No                      Other
116. I feel, I am satisfied with most of the aspects of my life.  
Yes                      No                      Other
117. I feel that efforts and capabilities to improve situation after resettlement have been successful.  
Yes                      No                      Other
118. I feel that intimacy with community is strengthened.  
Yes                      No                      Other
119. I fully cooperate in important functions of my community.  
Yes                      No                      Other
120. Suggestions :
- 1.
  - 2.
  - 3.
  - 4.
  - 5.

(IV)
