

ACKNOWLEDGEMENTS

I take this opportunity of placing on record my sincere gratitude to all those people who have contributed to my present undertaking.

I am indebted to Prof. N. P. Das, former Additional Director, Population Research Centre, Faculty of Science, M. S. University of Baroda whose continuous guidance and motivation has made it possible for me to complete my doctoral research.

I am also grateful to Prof. M. Sreehari, former Head, Department of Statistics, Faculty of Science, M. S. University of Baroda for his valuable comments and suggestions in the methodological aspects of the study.

I thank Dr. A. M. Parikh and Dr. S. N. Nandi, former Heads, and Prof. R. S. Srivastava, the present Head, Department of Statistics, Faculty of Science, M. S. University of Baroda for their support and encouragement in my work.

I take this opportunity of acknowledging the help provided by Ms Urvi Shah of the Population Research Centre, Baroda all through my research. She has also helped in final proof corrections of the manuscript. I thank her for her contribution.

I am thankful to Dr. Devamoni Dey, Senior Research Officer, Population Research Centre, Baroda for her support and encouragement in my work.

I express my gratitude to the authorities of the M. S. University of Baroda for providing the necessary facilities for doing this research work.

I convey sincere thanks to my friend, Mr. Bhadresh C. Patel, in-charge Computer department, Birla Vishwakarma Engineering College, Vallabh Vidyanagar for his assistance in the initial stages of the analysis.

This research work could not have been completed without the whole hearted encouragement of my family members who have stood behind me all through this work. I express my gratitude to them all.

Any errors or omissions that remain in the research are my sole responsibility and not of any of the persons mentioned above.

Baroda
October, 2008
