

## ACKNOWLEDGEMENT

*I find immense pleasure to acknowledge all those people who have helped me throughout the tenure of my work.*

*My greatest thanks are to my esteemed guide, Prof. Bonny Pilo, who has always been source of inspiration for me and gave me full freedom for my research work. He introduced me to the subject and gave his valuable suggestions at intervals.*

*I am also thankful to the former coordinator, UGC-DSA phase III programme in Zoology, Prof. Bonny Pilo, for providing me with all the necessary facilities to execute my work. I also thank, University Grants Commission (UGC), New Delhi for financial support in the form of fellowship (NET-JRF).*

*I am extremely thankful to Dr. B. Suresh for his valuable guidance, encouragement and critical comments throughout the study period. He has always supported me in my work and many a times has critically evaluated my work, which has made me even stronger. His kind guidance and support is deeply acknowledged.*

*I take this opportunity to thank Dr. Isha Desai, for her support and above all love, during the entire tenure of my work and her critical comments during the writing of the thesis.*

*My thanks are also to the Head, Department of Zoology, who permitted me to carry out my work.*

*I am also thankful to all the teaching and non-teaching staff of Department of Zoology, for their timely help in all the matters.*

*I owe special thanks to Ms. Reena and Ms. Priyanka, who have always been with me, in good as well as bad times. They have always stood by me and helped me a lot during my experimental work. I also thank Mr. Pratyush for his kind help during the printing and binding of the thesis.*

*I am highly grateful to my family members - my mother, my father and my brothers, Krishna, Devendra and Pankaj, who have always encouraged me and stood with me at all trying times. My special thanks are to my mother, who has always supported me and for all her love and patience. She has been an eternal source of inspiration and strength for me.*

*My most sincere thanks are to my mother-in-law and father-in-law who have affectionately given me the necessary time and inspiration to finish my work, I greatly appreciate their patience and love. My thanks are also to my brother-in-law, Ashwini and Archana and my sister-in-law Sangita, who have given me enough confidence and all the support I needed.*

*Finally, I owe my success to my beloved husband Rajnishi, who has been a constant source of inspiration, encouragement and strength for me. His full faith in me, his enduring love and patience is highly acknowledged. He has critically evaluated my work and given me very important suggestions, during the thesis writing. I would not have been able to finish my work without his support. With all my love I dedicate this thesis to him.*
