

ACKNOWLEDGEMENT

I am very much grateful to my guide, Dr. Satish Patel, (Reader in Geology, The Maharaja Sayajirao University of Baroda) for his continual help and encouragement through out this research work. He has constantly guided me in the present research work which include several field visits as well as at laboratory studies since 2005. Under his able guidance and supervision the author was able to complete this work. I will always remain indebted to him. Along with Shri Patel, I am equally thankful to DST sponsored research project 'Ichnology of the Mesozoic Sediments of Mainland Kachchh, Western India' wherein I was involved as Junior Research Fellow which provides an opening for the present research work.

Author is thankful to the Head, Department of Geology, The Maharaja Sayajirao University of Baroda, for providing the facilities at all stages during this investigations.

I am extremely thankful to Shri D. J. Pandian, IAS, Managing Director, Gujarat State Petroleum Corporation (GSPC), Shri R. N. Pandey, General Manager (HR), Shri M. Y. Farooqui, General Manager (P&D), Shri Ujjal Ghosh, Senior Manager (G&G), Shri Hemang Desai, DGM (HR) and all my colleagues at GSPC, Gandhinagar for their valuable support and help.

I am truly appreciative to Dr. S. K. Biswas, former Director, KDMIPE, ONGC, Dehra Dun for his valuable suggestions in the present work.

My special thanks to Prof. L. S. Chamyal for his consistent help and motivation during the present work. I am really gratified to Dr. N. Y. Bhatt, Dr. B. G. Desai and Shri P. M. Solanki for their constant guidance and help in the entire course of research work.

Thanks are also due to Dr. N. P. Bhatt, Dr. D. M. Maurya, Dr. Sunit Biswas, Dr. C. P. Mistry, Shri Atul Patidar, Dr. Yogi Trivedi, Shri Nitesh Khonde, Dr. Anand Mehta, Shri Vikas, Shri Vishal and Shri Sidhaarth and all dear colleagues at The Maharaja Sayajirao University of Baroda. The special thanks to Dr. Alpa Sridhar for her continuous support and help in finalizing the text of the present work. All non-technical staff of the department is hereby heartly acknowledged.

I am also thankful to the persons who have directly or indirectly helped me, my all beloved friends, Anurag, Abhijit, Ankur, Subrata, Debjani, Tini, Ratna and Sunali for their support during this work.

Last but never least, I am enormously admiring my father Shri Jagdishbhai Patel, mother Smt. Kalpnaben Patel, wife Aneri Patel, Papaji Shri Sureshbhai Patel, mota-mummy Smt. Geetaben Patel, brothers Nirav Patel and Kunal Patel, sister Dipal Patel, sister in-laws Sheelu Patel and Nimisha Patel, uncle Dr. Atul Parikh, aunt Dr. Harsha Parikh, father in-law Shri Gautambhai Amin, mother in law Smt. Alkaben Amin, brother in-law Shyamal Amin and all my mighty family members for their invariable support in this research work.

Niral Patel
