

LIST OF FIGURES

Fig.1.1	Location Map of the Study Area	5
Fig 2.1	The District of Kachchh	12
Fig 2.2	Geographical and Geomorphological map of the Kachchh	13
Fig 2.3	Geological Map of Kachchh region, after Biswas and Deshpande (1971-72)	32
Fig 2.4	Structural Map of the Kachchh (Biswas 2005)	43
Fig 2.5	Geological cross section along the axis of Median high in Fig 2.4 (Biswas 2005)	46
Fig 2.6	Geological section along the line X – Y in Fig 2.4 (after Biswas 2005)	46
Fig 3.1	Satellite Image of the Jhura dome (Courtesy: Google earth)	49
Fig 3.2	Geological map of the Jhura dome (after Biswas and Deshpande 1970)	50
Fig 4.1	Sodha Camp outcrop section - Jhura Dome, Kachchh Mainland	61
Fig 4.2	Kamaguna outcrop section - Jhura Dome, Kachchh Mainland	62
Fig 4.3	Badi nala outcrop section - Jhura Dome, Kachchh Mainland	63
Fig 4.4	Legend – I for Fig 4.1, 4.2 and 4.3	64
Fig 6.1	Schematic representation of <i>Protovirgularia-Lockeia</i> ichnoassemblage	176
Fig 6.2	Schematic representation of <i>Zoophycos-Chondrites</i> ichnoassemblage	177
Fig 6.3	Schematic representation of <i>Rhizocorallium-Pilichnus</i> ichnoassemblage	178
Fig 6.4	Schematic representation of <i>Ophiomorpha-Arenicolites</i> ichnoassemblage	179
Fig 6.5	Schematic representation of <i>Taenidium-Keckia</i> ichnoassemblage	180
Fig 6.6	Schematic representation of <i>Thalassinoides-Palaeophycus</i> ichnoassemblage	181
Fig 6.7	Idealized shoreface model of ichnofacies (modified after Pemberton et al. 1992a)	195
Fig 6.8	A bathymetry scheme along with Ichnofacies (Modified after Frey and Pemberton 1995)	198
Fig 7.1	Sequence stratigraphic models (from Catuneanu, 2006)	204
Fig 7.2	Nomenclature of system tracts and timing of sequence boundaries for the existing sequence stratigraphic models of Fig 7.1 (from Catuneanu, 2006)	205
Fig 7.3	Sequences, systems tracts, and stratigraphic surfaces defined in relation to the base level.	206
Fig 7.4	Timing of the seven surfaces of sequence stratigraphy related to the four events of the base-level cycle (form Catuneanu, 2006)	211

Fig 7.5	A composite stratigraphic section of Jhura dome showing identified sequence stratigraphic surfaces and corresponding system tracts.	215
Fig 8.1	Palaeo-shoreline during Callovian-Oxfordian time (After Biswas 1991; Fursich and Oschmann 1993)	225
Fig 8.2	A schematic three dimensional model showing depositional environments and distribution of Trace fossils	234
Fig 8.3	Legend for Fig 8.2	235
