

LIST OF TABLES

	Page No.
Table 2.1 Bio-stratigraphic succession of Mesozoic Rocks of Kachchh (Rajnath, 1932)	22
Table 2.2 Mesozoic Rock Stratigraphic classification of Pascoe (1959) & Krishnan (1968)	24
Table 2.3 Lithostratigraphic units of Biswas (1971); Waagen (1893) and Rajnath (1932)	25
Table 2.4 Mesozoic rock-stratigraphic classification of the Biswas (1977)	28
Table 2.5 Ammonoid Chronostratigraphy in the Jurassic of Kachchh (Jai Krishna 1983)	29
Table 3.1 Classification of the Jhurio Formation (After Biswas 1977)	51
Table 3.2 Classification of the Jumara Formation, as per the type section (After Biswas 1977)	55
Table 4.1 Lithofacies of the Mesozoic sequence of Jhura Dome	60
Table 5.1 Ethology and Toponomy of Trace Fossils of the Jhura Dome	97
Table 6.1 Ethological distribution of the trace fossils in the different lithofacies	172
Table 6.2 Distribution of Trace fossils within Lithofacies	199
Table 8.1 Sedimentary facies and their corresponding sedimentary structures, trace- fossils, body-fossils and depositional environments.	226
Table 8.2 Environmental distribution of Trace-fossils and their abundance	229
