Introduction	10-43
Materials and Methods	44-77
Results	78-128
Discussion	129-150
Epilogue	151-158
Bibliography	159-174
Annexure	175-177
Conference presentations, publications and Awards	178-179

If you don't know what to do with a protein focus it, it will probably show up a "heterogenous" mixture. If you sustain the first shock, the degradation of your confidence, the guilt of having published results on its "homogeneity", the end only then can the true journey begin in asking & answering what all these bands mean.

N. Catsimpoolas (1976)
