Dear Madam / Sir,

I am a student doing Ph.D. in the Department of Home Science Education and Extension, Faculty of Home Science, M.S. University of Baroda. The topic of my research is 'Social Norms, Attitudes towards Home Science Education and Job Aspirations of students of selected Home Science colleges in India, related to their academic achievement'. \*\*

I am selecting your college as one of the colleges for my investigation. I shall personally come to your college to collect the data, because I have to collect the educational achievements of the students from the college records. I have selected final year B.Sc. students as my respondents.

Therefore, I would be grateful if you would kindly allow me to do so and let me know the time, convenient for you, as well as for the students for the above mentioned purpose, number of students in the Final year B.Sc. class and the number of students in each category of class or grade in the enclosed post card.

An early reply will be appreciated. Thanking you in anticipation.

Yours' sincerely,

Aparna H. Khaund
