To
The Head of the Institution

Dear Madam,

This is to certify that Miss Aparna H. Khaund is a Ph.D. student in the Department of Home Science Education and Extension of this institution and is pursuing her doctoral study under my guidance. The problem of her research is 'Social Norms, Academic Achievement Motivation and Attitudes related to Academic Achievement and Job Aspirations of Undergraduate students from selected Home Science colleges in India'.

For her research it is important that she collects some data from the final year B.Sc. (Home) students in the form of a questionnaire and scale and the office records for obtaining the achievement level of the students. She plans to do so from various Home Science institutions of India.

You are requested to kindly extend your co-operation, and let Miss Khaund have access to the above in your institution in order to obtain the data for her study. The success of her research depends entirely on your co-operation.

Thanking you,

Yours sincerely,

Sd/-

Dr. (Ms.) A. Chandra,
Head
