

## LIST OF TABLES

Table No.		Page
1.1	States which have Agricultural Universities with Home Science Colleges and selected for the Investigation.	59
1.2	Name of the States and Colleges selected for the Investigation.	60
1.3	Name of the Union Territories and Colleges selected for the Investigation.	61
1.4	Name of the States and Colleges selected further for the Investigation.	61
2	Summary of the Procedure for Establishing Reliability of the Instrument for data collection.	68
3	Number of Respondents from the Colleges from which data were collected.	71
4	Statistics used for analysis of data.	73
5	Statewise distribution of the Respondents according to their Colleges of study.	78
6	Distribution and Categorization of the Colleges according to their Scheme of Evaluation.	80
7	Distribution of Respondents according to their achievement levels and Category of colleges.	82
8	Means and Standard Deviations of the Colleges according to Modern Norms governing Education.	101
9	Significant Differences between colleges according to Modern Norms governing Education.	102
10	Means and Standard Deviations of the colleges according to Modern Norms governing Occupation.	105

Table No.		Page
11	Significant Differences between colleges according to Modern Norms governing occupation.	106
12	Means and Standard Deviations of the colleges according to Modern norms governing Marriage.	108
13	Significant Differences between colleges according to Modern Norms governing Marriage.	109
14	Means and Standard Deviations of the Colleges according to Modern Norms governing Social Status.	112
15	Significant Differences between colleges according to Modern Norms governing Social Status.	113
16	Extent of Differences among the Parents' in their Traditional and Modern Norms Perceptions.	126
17	Extent of Differences among the Respondents' in their Traditional and Modern Norms Perceptions.	127
18	Extent of Differences between Respondents' and their Parents' Norms Perceptions.	128
19	Differences in Perceptions of Norms according to the Levels of Achievement of the Respondents.	130
20	Differences between Respondents' and their Parents' Norms Perceptions according to Respondents' Academic Achievement Levels.	134
21	Frequency and Percentage of Respondents' Academic Achievement Motivation.	138
22	Extent of Academic Achievement Motivation of the Respondents according to their 14 colleges of study.	141

Table No.		Page
23	Mean scores and Standard Deviations of the colleges according to Academic Achievement Motivation.	143
24	Significant Differences between colleges according to Academic Achievement Motivation.	144
25	Attitudes of the Respondents towards Philosophy of Home Science Education.	149
26	Attitudes of the Respondents towards Scope of Home Science Education.	152
27	Attitudes of the Respondents towards Function of Home Science Education.	156
28	Attitudes of the Respondents towards Home Science Teachers.	159
29	Attitudes of the Respondents towards Home Science Students.	162
30	Extent of Favourableness of Attitudes towards Philosophy of Home Science Education according to the 14 colleges of Study.	164
31	Extent of Favourableness of Attitudes towards Scope of Home Science Education according to the 14 colleges of Study.	166
32	Extent of Favourableness of Attitudes towards Function of Home Science Education according to the 14 colleges of Study.	169
33	Extent of Favourableness of Attitudes towards Home Science Teachers according to the 14 colleges of Study.	171
34	Extent of Favourableness of Attitudes towards Home Science Students according to the 14 colleges of Study.	174
35	Mean Differences between the Colleges according to Attitudes scores towards Philosophy, Scope, Function, Teachers and Students of Home Science.	177

Table No.		Page
36	Distribution of the Respondents Aspiring and not Aspiring for Higher education according to the 14 colleges of Study.	186
37.1 and 37.2	Reasons for Aspiring and not Aspiring for Jobs according to 14 colleges of Study.	189
38	Respondents' Job Aspirations according to 14 colleges of Study.	196
39	Frequency and Percentage of Respondents' Dream and Aspired Job.	202
40	Factors Inspiring Dream Jobs according to 14 colleges of Study.	205
41	Mean scores and Standard Deviations of the colleges according to Job Aspirations.	209
42	Significant Differences between colleges according to Job Aspirations.	210
43	Relationships between Respondents' and Their Parents' Norms Perceptions.	215
44.1	Relationships between Parents' Norms Perceptions and Respondents' Academic Achievement Motivation.	216
44.2	Relationships between Respondents' Norms Perceptions and their Academic Achievement Motivation.	217
45.1	Relationships between Parents' Norms Perceptions and Respondents' Attitudes towards Philosophy, Scope, Function, Teachers and Students of Home Science Education.	220
45.2	Relationships between Respondents' Norms Perceptions and their Attitudes towards Philosophy, Scope, Function, Teachers and Students of Home Science Education.	221
46.1	Relationships between Parents' Norms Perceptions and Respondents' Job Aspirations.	223

Table No.		Page
46.2	Relationships between Respondents' Norms Perceptions and their Job Aspirations.	224
47.1	Relationships between Parents' Norms Perceptions and Respondents' Academic Achievement.	226
47.2	Relationships between Respondents' Norms Perceptions and their Academic Achievement.	227
48	Relationships between Respondents' Academic Achievement Motivation and their Attitudes towards Home Science Education.	229
49	Relationships between Respondents' Attitudes towards Home Science Education and Job Aspirations.	234
50	Relationships between Respondents' Attitudes towards Home Science Education and Academic Achievement.	235
51	Relationships between Respondents' Perceptions of Modern Norms and Academic Achievement Motivation According to their Levels of Achievement.	240
52	Relationships between Respondents' Perceptions of Modern Norms governing Education and Attitudes towards Home Science Education according to their Levels of Achievement.	242
53	Relationships between Respondents' Perceptions of Modern Norms governing Occupation and Attitudes towards Home Science Education according to their Levels of Achievement.	243
54	Relationships between Respondents' Perceptions of Modern Norms governing Marriage and Attitudes towards Home Science Education according to their Levels of Achievement.	244

Table No.		Page
55	Relationships between Respondents' Perceptions of Modern Norms governing Social Status and Attitudes towards Home Science Education according to their Levels of Achievement.	245
56	Relationships between Respondents' Perceptions of Modern Norms and Job Aspirations according to their Levels of Achievement.	249
57	Relationships between Respondents' Academic Achievement Motivation and Attitudes towards Philosophy, Scope, Function, Teachers and Students of Home Science Education according to their Levels of Achievement.	253
58	Relationships between Respondents' Academic Achievement Motivation and Job Aspirations according to their Levels of Achievement.	256
59	Relationships between Respondents' Attitudes towards Philosophy, Scope, Function, Teachers and Students and Job Aspirations according to their Levels of Achievement.	259
60	Relationships between Respondents' Job Aspirations and Academic Achievement according to their Levels of Achievement.	261
61	Contribution of Potential Predictors on Criterion Variable.	264
