

## ACKNOWLEDGEMENTS

Inadequate though, these words are, I would like to record with great pleasure my deep sense of gratitude towards Dr.P.M.Ambadkar, Professor in Zoology, for his inspiring guidance, invaluable suggestions and constructive criticism apart from the devotion of a great deal of his valuable time have contributed greatly to the successful completion of the study.

I take this opportunity to thank Prof.Bonny Pilo, Head of the Department and Co-ordinator of UGC-DSA programme for granting Junior Research Fellowship and also necessary facilities for the work without which it would not been in the present form.

I am grateful to all my teacher especially Prof. A.K.Desai, Dr. R.V.Nene, Prof. A.V. Ramachandran and Dr. M.V. Asnani for their timely suggestions and co-operation. I am also thankful to my senior colleagues Dr.H. R. Patel , Dr. Geeta Padate, Dr. Meena Patel and Dr. Dipti Singh for sharing their valuable research experience with me. I appreciate the help of my colleagues and juniors during the preparation of this thesis.

I sincerely appreciate firm support and encouragement of my friends Ami Raval and Nagendra Yadava (JNU.,Delhi) who pulled me to the final step.

I am thankful to my parents, brothers, sister and my wife Deepali for their constant encouragement and moral support towards fulfilment of my study.

Thanks are due to M/s Sales and Marketing Group for neat and efficient typing.
