

### ACKNOWLEDGEMENTS

I wish to express my sincere and deep sense of gratitude to my beloved and respected guide Prof. O. D. Gulati M.D., M.S. (Colorado), FAMS, former Dean, Medical College, Baroda and Medical Director, Charutar Arogya Mandal Hospital and Research Centre, Karamsad, Gujarat, for suggesting the research problem, for his invaluable guidance, inspiration and for critically examining the manuscript. In spite of his busy schedule he devoted his invaluable time for the completion of this task.

I am ever indebted to Prof. Y.K. Agrawal, Head, Pharmacy Department, Faculty of Technology & Engg., M.S. University of Baroda, Baroda, for his constant encouragement and for providing facilities to carry out part of this work.

I am thankful to Dr. B.R. Sainath, Professor and Head, Dept. of Pharmacology, Medical College, Baroda, for his useful suggestions and for providing facilities to carry out this work.

I am greatly indebted to Dr. K. G. Hemavathy, Associate Professor and Dr. J.D. Bhatt, Assistant Professor of Pharmacology, Medical College, Baroda, for their advice, suggestions and their sympathetic support. I am highly thankful to them for critically examining this manuscript.

I am fortunate to have Mr. S.P. Rathod, Lecturer in Pharmacology, Pharmacy Dept., Faculty of Tech. and Engg.,

M.S. Univ. of Baroda, as my colleague who without any hesitation always helped in every stage of this work.

I am thankful to Dr. V. Handa, Professor of Pathology and Dr. Ingle, Asstt. Professor of Pathology, for helping to carry out histopathological study. I am thankful to Dr. A.V. Ramachandran, Reader, Zoology Dept., M.S. University of Baroda, for photographs of the histopathological sections.

I am grateful to Dr. S. Somasekara, Director, Sarabhai Research Centre, Baroda, and Dr. N. Sivaramakrishna, former Head, Pharmacology Division Sarabhai Research Centre and Manager, R & D Alembic Chemicals, for providing facilities to carry out the blood pressure experiments in unanaesthetized animals.

I am thankful to my wife Mrs. Vasanti Balaraman, for initial typing of this manuscript and also for giving moral support.

I am very much obliged to Boehringer-Knoll Limited, Bombay, for generous supply of verapamil hydrochloride for this research project.

I am thankful to my colleagues of the Pharmacy Department, M.S. University of Baroda, and staff members of Department of Pharmacology, Medical College, Baroda, for their co-operation.
