

ACKNOWLEDGEMENTS

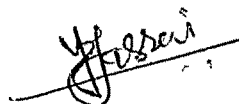

I am deeply indebted to Professor A.R. Mehta, Head, Department of Botany, for his esteemed guidance and suggestions during the course of this investigation.

I am also grateful to Dr. P.N. Bhatt, Reader, Department of Botany, for his continuous help and creative criticism for the excellence of scientific methodology.

My thanks are also due to my senior and junior colleagues in the laboratory and department for their timely help during this work.

I also wish to express my gratitude to my parents who have been a constant source of inspiration and encouragement.

Financial assistance by the Council of Scientific and Industrial Research, New Delhi is gratefully acknowledged.
