

Some Physiological Aspects of Growth and Differentiation
in Diploid and Haploid Tobacco Tissues Grown in Culture

Thesis submitted to

The Maharaja Sayajirao University of Baroda

For The Degree of

D o c t o r o f P h i l o s o p h y

i n B o t a n y

by

S. K. Rawal

Department of Botany
M. S. University of Baroda
BARODA.

May, 1979.

To

Gasha - who taught me inquisition and analysis,

Mami - who nursed my ambitions

and

Nana - to whom I can never make compensation for
all that she missed over the years.

- Shuban K. Rawal
