

PREFACE

I take this opportunity to express my deep sense of gratitude to my guide Prof. Dr. Uma Deshpande for her guidance and suggestions regarding the subject matter, her motherly care, lending of books and giving inspiration in various matters, without which this work would not have been completed. In spite of the heavy pressure of work as a head and professor, she always spent her precious time in discussing various points connected with the thesis and has taken keen interest in going through each and every word of the present work.

I am very much thankful to Dr. V. Kameshwari (director of Kuppuswami Research Institute, Chennai) and Dr. Devadatta Sharma of Udaipur for helping me by providing the required materials.

I am equally thankful to Prof. J. P. Thaker (Vadodara), Dr. R. P. Mehta (Ahmedabad), Dr. Rajendra Nanavati (Vadodara) Prof. Vasant Patel (Surat), Dr. Pragna Joshi (Ahmedabad), for supplying me the books in connection with the thesis.

I also express my gratitude to the staff of the Geography, History, Marathi and Hindi Departments for providing me required material and information about the required topics.

I particularly express my thanks to Dr. M. L. Wadekar and Dr. Meenaben Pathak for giving me relevant information.

I am also obliged to Prof. S. V. Deshpande for his affectionate treatment.

I also thank the staff members of the Hansa Mehta Library, who have helped me a lot in lending the books especially Mr. Pravinbhai Jani and Mr. Rameshbhai Patel.

I wish to acknowledge the help given by my parents, in laws, relatives, all the members of Bhatt and Trivedi family and all my well-wishers who have directly or indirectly helped me during this period.

(iii)

I am very grateful and indebted to my husband and son Jay for patiently standing by me during this strenuous period by showering their love and concern.

Last but not the least, I thank Jigeeshubhai and Mihirbhai Thaker of Visiontech for spending most of their time in typing my thesis with great care.
