Sampradāya Kalpadruma mentions two more seats, viz; ~~Saranāṭ~~ Caranāṭa and Bhṛiguksetra and does not mention Rāsolī, as popularly said, S'rī GO visited Broach while he journeyed to Gujarat and hence Bhṛiguksetra-seat can be explained way reasonably. But the mention of Caranāṭ is doubtful.

Some people mention one bethaka at Gokules'apura,
which is no other than Vallabhaghāṭa near Gokul. It
was inhabited after 1703 V.S. and GO passed away in
1697 V.S. Hence there cannot be any bethaka at
Gokules'apura.
