

PUBLICATIONS FROM THIS THESIS

PATENT FILED

Jaideep Patil, R.S.R.Murthy, R.R. Shah, Commercially viable process for enhancing enzyme activity, filed Indian Patent on Dec.2005 and Application no.1523/MUM/2005

Jaideep Patil, R.S.R.Murthy, R.R. Shah, Preparation of Digestive Enzymes containing Dry Syrup filed Indian Patent on Nov.2005 and Application no.1480/MUM/2005

PAPERS COMMUNICATED

Jaideep Patil, R.S.R.Murthy, Sangeeta Sawant, Molecular Modeling of Beta-cyclodextrin inclusion complex with fungal alpha amylase (Communicated to Journal of Molecular Modeling)

Jaideep Patil, R.S.R. Murthy, Development and Validation of Natural Substrate-Based Radial Diffusion Assay Method for Quantification of Fungal alpha amylase in Oral Liquid Formulations (Communicated to Analytical Sciences)
