"People have done for me more than I can remember and I remember more than they have done for me"

By being in presence of the ultimate "GOD" I could experience the hidden powers within me and because of the spiritual meditation I'd survive all the predicaments during my Ph.D.

*"GOD IS MY SOUL CONFIDENCE
AND THAT'S MYSELF CONFIDENCE"*

As a guiding teacher, Prof. A.V.Ramachandran has been very supportive and tolerant. His proficiency and scientific aptitude was very beneficial. Because of him it was easier to understand my research topic as well as could develop scientific aptitude. Apart from a research Guru, he has also been a spiritual Guru who helped me understand the powers of the "Ultimate ".

I am thankful to the teaching staff of the department who taught me from F.Y.B.Sc till M.Sc. I am trueful grateful to Prof. M.V.Asnani (Head, Dept) who helped me whenever required especially her guidance in histology work proved very useful.

I am also indebted to Dr.P.C.Mankodi who motivated me throughout my college days and during my research, and helped me find a way in difficult times. His suggestions during my hands on with computer helped a lot.

Also I am greatly inspired by Dr.K.D.Vacchrajani from whom I have imbibed many things. His suggestions and continuous encouragement during my research always motivated me to do better.

The time I spent with my seniors and my colleagues is cherisable, who helped me out in some way or other. Especially Dr. Ranjitsinh Devkar who explained me my research topic making it easier for me to develop a research aptitude. Also my association with him as a bird watcher friend is unforgettable.

I am also thankful to Dr.Sonali, Dr.Neelima, Dr.Sapna and Dr.Arpita who resolved many complications arising during my work.

I am also obliged to Dr.Bhavna for giving me unundented help and support during my research. The affection showered on me by my seniors as a kid brother will always be cherished.

It is said that "It's good to have an end to a journey but what matters in the end is the journey "and in this journey of life I am blessed with best friends like Prakash, Prashant, Harshit, Ajay, Arpit, Purvadh, Tushar, Dharmesh, Madhurima, Jasmi, and Falguni who made it easy when it was going tough, especially my long time association with prakash has been very fruitful.

As a well-wisher, a good friend and as an elder brother, Biren's company is unforgettable. I am very much thankful to him for his inspiring thoughts and help rendered.

I am also very much thankful to all the members of the non teaching staff who helped me whenever required, especially I am grateful to my friend Hitesh suthar for his timely help. I am also grateful to Sangeet bhai and Urmilaben for all the help during my work.

I also appreciate the cooperation extended to me while thesis preparation, by my juniors Shiva, Niraj, Sudip, Raktim, Rupali.

I am thankful to my colleague Nikhil who helped me with graph preparation.

I am greatly obliged to my parents for all the contribution they have bestowed upon me in form of love and the support throughout my life which made me accomplish this goal in my career.

After parents, it's always been my elder brother, bhabhi and Urjit who supported me whole heartedly during all ups and downs of life, I am thankful to them.

I am also thankful to Apurva J Shah for providing me the computer without which my thesis would not have been complete.

I am also thankful to UGC-DSA for providing support for hormone assay.

Lastly, I'd like to acknowledge my late grandfather Shree Chatrasinhji Jivubha Zala, whose continuous encouragement, love and ideals always inspired me and as for his wish today I' am one step closer to being a doctor of philosophy.
