

ACKNOWLEDGEMENTS

I acknowledge my deep debt of gratitude I owe to my research guide Prof. Dr. Rachel George, Head, Home Management Department, Faculty of Home Science, M.S. University of Baroda, who very systematically introduced me to the method of research. I extend my sincere thanks to her, for constructive and humorous criticism, thought provoking suggestions and affectionate help, which made me enjoy my research. I am fortunate to work with one of the finest scientists in the field of social sciences research during my doctoral programme.

A word of appreciation is due to career women in dual career families from twin cities of A.P., who responded to my questionnaire in time.
