

LIST OF TABLES

TABLE	TITLE	PAGE
1.	Career Women by Age	102
2.	Career Women by Education	103
3.	Career Women by Personal Income	104
4.	Mean Time Spent in a Day on Various Activities by Career Women	106
5.	Career Women by Power of Control, Delegation and Decision Making Enjoyed in their Respective Employment and Family Organisations.	109
6.	Career Women by Type of Family	111
7.	Career Women by Number of Family Members	111
8.	Career Women by Family Income Per Month	112
9.	Career Women by the Age of the Youngest and the Oldest Family Member	113
10.	Career Women by Number of Children in School Education	115
11.	Paid and Unpaid Participants in Household Work	116
12.	Career Women by Type of Career	119
13.	Career Women by Length of Service	120
14.	Career Women by Reasons for Taking up Career	122
15.	Career Women by Reasons for Break of Service	123
16.	Career Women by Perception of Stressors in Employment Organisation	125
17.	Career Women by Perception of Stressors in Family Organisation	132

18.	Career Women by Mode of Coping Adopted in Employment and Family Organisation	141
19.	Career Women by Social Support from Employment and Family Organisation	146
20.	Career Women by Extent of Stress Experienced	148
21.	Career Women by Mean Score on Practices Pursued to Overcome Stress Manifestations	150
22.	Career Women by Opinion on their Dual Roles	151
23.	Rating of Career and Familial Life	153
24.	Career Women by Mean Rank on Career and Familial Goals	154
25.	Career Women by Perceived Level of Career Role Fulfilment	157
26.	Career Women by Perceived Level of Familial Role Fulfilment	159
27.	Comparison of Mean Personal and Family Characteristics in Relation to Extent of Stress Experienced	164
28.	Comparison of Mean Situational Characteristics in Relation to Extent of Stress Experienced	165
29.	Comparison of Mean Personal and Family Characteristics in Relation to Perceived Level of Career Role Fulfilment	166
30.	Comparison of Mean Situational Characteristics in Relation to Perceived Level of Career Role Fulfilment	167
31.	Comparison of Mean Personal and Family Characteristics in Relation to Perceived Level of Familial Role Fulfilment	168
32.	Comparison of Mean Situational Characteristics in Relation to Perceived Level of Familial Role Fulfilment.	169
33.	Coefficients of Correlation for Twenty Seven Variables and Extent of Stress Experienced.	173

34.	Differences between Mean Scores on Extent of Stress Experienced by Age	174
35.	Differences between Mean Scores on Extent of Stress Experienced by Length of Service in Employment Organisation	177
36.	Differences between Mean Scores on Extent of Stress Experienced by Family Size	180
37.	Differences between Mean Scores on Extent of Stress Experienced by Employment Organisation Work Stressors Perception	184
38.	Differences between Mean Scores on Extent of Stress Experienced by Employment Organisation Role Stressors Perception	185
39.	Differences between Mean Scores on Extent of Stress Experienced by Overall Stressors Perception in Employment Organisation	186
40.	Differences between Mean Scores on Extent of Stress Experienced by Family Organisation Work Stressors Perception	192
41.	Differences between Mean Scores on Extent of Stress Experienced by Family Organisation Role Stressors Perception	193
42.	Differences between Mean Scores on Extent of Stress Experienced by Family Organisation Personal Development Stressors Perception.	194
43.	Differences between Mean Scores on Extent of Stress Experienced by Family Organisation Interpersonal Relations Stressors Perception	195

44.	Differences between Mean Scores on Extent of Stress Experienced by Family Organisation Climate Stressors Perception	196
45.	Differences between Mean Scores on Extent of Stress Experienced by Family Organisation Overall Stressors Perception	197
46.	Differences between Mean Scores on Extent of Stress Experienced by Social Support in Family Organisation	206
47.	F-to-enter and the Variables Entered in the Regression Equation in Step-Wise Multiple Regression Analysis Conducted in Relation to Extent of Stress Experienced	209
48.	Coefficient of Correlation for Twenty-seven Variables and Perceived Level of Career Role Fulfilment	211
49.	Coefficient of Correlation for Twenty-seven Variables and Perceived Level of Familial Role Fulfilment	212
50.	Differences between Mean Scores on Perceived Level of Career Role Fulfilment by Age	213
51.	Differences between Mean Scores on Perceived Level of Familial Role Fulfilment by Age	214
52.	Differences between Mean Scores on Perceived Level of Career Role Fulfilment by Length of Service	217
53.	Differences between Mean Scores on Perceived Level of Familial Role Fulfilment by Length of Service	218
54.	Differences between Mean Scores on Perceived Level of Career Role Fulfilment by Employment Organisation Stress Coping Strategies	221
55.	Differences between Mean Scores on Perceived Level of Familial Role Fulfilment by Employment Organisation Stress Coping Strategies	222

56.	Differences between Mean Scores on Perceived Level of Familial Role Fulfilment by Family Organisation Stress Coping Strategies	225
57.	Differences between Mean Scores on Perceived Level of Career Role Fulfilment by Career Women's Perceived Level of Familial Role Fulfilment	228
58.	Differences between Mean Scores on Perceived Level of Familial Role Fulfilment by Career Women's Perceived Level of Career Role Fulfilment	229
59.	Differences between Mean Scores on Perceived Level of Career Role Fulfilment by Family Income	239
60.	Differences between Mean Scores on Perceived Level of Career Role Fulfilment by Age of the Youngest Family Member	234
61.	Differences between Mean Scores on Perceived Level of Familial Role Fulfilment by Age of the Youngest Family Member	235
62.	Differences between Mean Scores on Perceived Level of Career Role Fulfilment by Age of the Oldest Family Member	238
63.	Differences between Mean Scores on Perceived Level of Familial Role Fulfilment by Age of the Oldest Family Member	238
64.	Differences between Mean Scores on Perceived Level of Career Role Fulfilment by Employment Organisation Work Stressors Perception	240
65.	Differences between Mean Scores on Perceived Level of Career Role Fulfilment by Organisation Role Stressors Perception	241
66.	Differences between Mean Scores on Perceived Level of Career Role Fulfilment by Employment Organisation Personal Development Stressors Perception	242
67.	Differences between Mean Scores on Perceived Level of	243

	Career Role Fulfilment by Employment Organisation Interpersonal Relations Stressors Perception	
68.	Differences between Mean Scores on Perceived Level of Career Role Fulfilment by Employment Organisation Climate Stressors Perception	244
69.	Differences between Mean Scores on Perceived Level of Career Role Fulfilment by Employment Organisation Overall Stressors Perception	245
70.	Differences between Mean Scores on Perceived Level of Familial Role Fulfilment by Employment Organisation Role Stressors Perception	246
71.	Differences between Mean Scores on Perceived Level of Familial Role Fulfilment by Employment Organisation Personal Development Stressors Perception	247
72.	Differences between Mean Scores on Perceived Level of Familial Role Fulfilment by Employment Organisation Climate Stress Perception	248
73.	Differences between Mean Scores on Perceived Level of Familial Role Fulfilment by Employment Organisation Overall Stressors Perception	249
74.	Differences between Mean Scores on Perceived Level of Career Role Fulfilment by Family Organisation Work Stressors Perception	258
75.	Differences between Mean Scores on Perceived Level of Career Role Fulfilment by Family Organisation Personal Development Stressors Perception	259
76.	Differences between Mean Scores on Perceived Level of Career Role Fulfilment by Family Organisation Interpersonal Stressors Perception	260

77.	Differences between Mean Scores on Perceived Level of Career Role Fulfilment by Family Organisation Climate Stressors Perception	261
78.	Differences between Mean Scores on Perceived Level of Career Role Fulfilment by Family Organisation Overall Stressors Perception	262
79.	Differences between Mean Scores on Perceived Level of Familial Role Fulfilment by Family Organisation Work Stressors Perception	263
80.	Differences between Mean Scores on Perceived Level of Familial Role Fulfilment by Family Organisation Role Stressors Perception	263
81.	Differences between Mean Scores on Perceived Level of Familial Role Fulfilment by Family Organisation Personal Development Stressors Perception	264
82.	Differences between Mean Scores on Perceived Level of Familial Role Fulfilment by Family Organisation Interpersonal Relations Stressors Perception	265
83.	Differences between Mean Scores on Perceived Level Familial Role Fulfilment by Family Organisation Climate Stressors Perception	266
84.	Differences between Mean Scores on Perceived Level of Familial Role Fulfilment by Family Organisation Overall Stressors Perception	266
85.	Differences between Mean Scores on Perceived Level of Career Role Fulfilment by Social Support in Employment Organisation	275
86.	Differences between Mean Scores on Perceived Level Familial Role Fulfilment by Social Support in Family Organisation	277

87.	The Table of F-to-Enter and the Variables Entered in the Regression Equation in Step-Wise Multiple Regression Analysis Conducted in Relation to Perceived Level of Career Role Fulfilment	279
88.	The Table of F-to-Enter and the Variables Entered in the Regression Equation in Step-Wise Multiple Regression Analysis Conducted in Relation to Perceived Level of Familial Role Fulfilment	280
