

STUDIES
IN
ACENAPHTHENE AND FLUORENE DERIVATIVES

C O N T E N T S

PART I

Page

General Introduction

1

Section I

Synthesis of some acenaphtho α - and
 γ -pyrones

Theoretical 35

Experimental 54

Section II

Synthesis of some acenaphthofurans

Theoretical 72

Experimental 83

Section III

Mannich reaction on 5-hydroxyacenaphthene

Theoretical 90

Experimental 98

PART II

General Introduction

104

Section I

Synthesis of some fluoreno- γ -pyrones
and 9-oxofluoreno- γ -pyrones

Theoretical 135

Experimental 148

Section II

Synthesis of fluorenofuran derivatives

Theoretical	165
Experimental	175

Section III

Bromination of 2-hydroxyfluorene, 2-hydroxyfluorenone and their methyl ethers

Theoretical	186
Experimental	197
Summary	208
