

## **ACKNOWLEDGEMENTS**

I have a great privilege to express my sincere and heartfelt gratitude to my guiding teacher and supervisor, **Prof. Kanakalakshmi B. Nair**, Department of Chemistry, Faculty of Science, M. S. University of Baroda, for her dynamic guidance and enthusiastic approach throughout the course of this work. I am immensely indebted to her for her kind cooperation, sympathy, understanding and inspiration. It is due to her guidance and support that I have been able to make meaningful progress in the right direction to shape the destiny of this work.

I wish to express my sincere thanks to **Dr. A. N. Misra**, General Manager and the Management of Gujarat Alkalies and Chemicals Limited for awarding Junior Research Fellowship and all the necessary facilities.

I am thankful to **Prof. A. K. Rakshit**, Head, Department of Chemistry, M. S. University of Baroda for providing the departmental facilities.

My thanks are due to **Prof. A. C. Shah**, Dean, Faculty of Science, M.S.University of Baroda for his keen interest and support during my research work.

I take this opportunity to thank **Dr T. Rajmanner**, Vice president, **Dr Rajiv Rehani**, **Dr. P. V. R. Acharyulu**, and **Mr. Rashmin Pandya** from Sun Pharma Advance Research Centre and to **Dr. Bannore** and **Mr. Mehul Mehta** from Malti Chem Research centre for IR and NMR spectral studies. I extend my thanks to **Dr. S. S. Madhavrao**, Chemistry Department, M.S.University of Baroda for the useful discussions during the course of this work.

I am grateful to *Dr. M. Ravindranathan*, Deputy General Manager, *Dr. S.F. Xavier*, Manager and to *Dr. V. N. S. Pendyala* from Indian Petrochemicals Corporation Limited for allowing me to use the instrumental facility at research and development centre.

I acknowledge the indefatigable support of my friends and co-workers *Mr. Shailesh patel*, *Dr. Robin Anthony*, *Dr. Hitesh Sharma*, *Dr. Biju Kumar* and *Mr. Shrojal Desai* who have readily extended their ungrudging help and co-operation during the course of this work.

My sincere thanks to *Mr. Hitesh Rawal*, *Mr. Dinesh Bhavsar*, *Mrs Revthi Ganesh*, *Mr. Ninad Mehta* and other non-teaching staff of chemistry department for their kind cooperation and support.

Above all, I am very much grateful to my parents, my sister, my wife *Nisha* for their moral support, tolerance and large patience through various stages of the work. Without their cooperation and support it would not have been possible to bring this thesis to its final form.

Finally, I will remember forever the lighter moments that I enjoyed with my son *Ishan* during this work.

At last, I must thank all those who helped me directly or indirectly during the pursuance of the research work.
