

List of publications

- (i) Synthesis of some New Carboxanilides and Amides of 8-methoxycoumarin-3-carboxylic acid as possible antifungal and antibacterial agents.

SONAL SHAH and R.H. MEHTA,

J. Indian Chem. Soc. 64, 708 (1987).

- (ii) Synthesis of some New 8-methoxy-5-substituted Aminomethyl-coumarins as possible antibacterial agents.

SONAL SHAH and R.H. MEHTA,

J. Indian Chem. Soc. 66, 802 (1989).

Under Publication

- (i) Synthesis and antibacterial activity of some Mannich bases from coumarin derivatives

SONAL SHAH, RAJEEV VYAS and R.H. MEHTA

J. Indian Chem. Soc.

- (ii) Synthesis, characterisation and antibacterial activities of some new Schiff bases of coumarin derivatives.

SONAL SHAH, RAJEEV VYAS and R.H. MEHTA

J. Indian Chem. Soc.

- (iii) Synthesis and characterisation of some new 2-aryl-5-(8'-methoxycoumarin-3'-yl)-1,3,4-oxadiazole as antibacterial agents

SONAL SHAH, RAJEEV VYAS and R.H. MEHTA

J. Indian Chem. Soc.
