( J.D.Joshi ).

I take this opportunity to express my grateful thanks to Prof. S.M.Sethna, M.Sc., Ph.D., Head, Department of Chemistry, M.S.University of Baroda, Baroda-2 for providing necessary laboratory facilities to carry out this work.

I am thankful to Dr. S.S.Lele, M.Sc., Ph.D., Reader, Analytical Chemistry (Micro-analysis) for the nitrogen estimations of the compounds isolated.

I express my sincere thanks to Prof. R.D.Patel, Professor and Head, Department of Chemistry, Sardar Patel University, Vallabhvidyanagar for providing the reflectance spectra of the compounds. Thanks are also due to Sarabhai Chemicals, Baroda for providing infrared spectra of the compounds.

I also wish to express my sincere thanks and appreciation, to all those, who have readily extended their ungrudging help and cooperation during the various phases of the preparation of the thesis.

The financial assistance received from the University Grants Commission, New Delhi is being thankfully acknowledged.
