

Acknowledgements

First and foremost, I would like to express my deepest gratitude to my research advisor, **Prof. Prafulla Kumar Jha**, for his unwavering support, mentorship, and expert guidance throughout the course of my PhD journey. His insightful feedback, dedication to my academic growth, and belief in my abilities have been pivotal in the successful completion of this thesis.

I extend my sincere appreciation to **Dr. Brahananda Chakraborty**, Scientist, High Pressure and Synchrotron Radiation Physics Division, Bhabha Atomic Research Centre, Mumbai, for providing me with access to state-of-the-art research facilities and resources. His encouragement and willingness to engage in discussions have enriched my research experience.

I wish to convey my heartfelt appreciation to **Mrs. Sunita Jha** for the motivation, encouragement, and her sweet words ever.

I would like to acknowledge the kind words and encouragement of **Dr. Som Narayan** and **Dr. Trupti Gajaria**, which have been a motivating force during the course of my research. Their profound expertise in our field and their dedication to pushing the boundaries of knowledge have been a constant source of inspiration. They have not only been remarkable mentors but also exceptional individuals whose guidance, encouragement, and expertise have significantly enriched my academic pursuits.

I owe a debt of gratitude to my CCMP lab group, as well as my senior colleagues **Dr. Raghottam Sattigeri**, **Dr. Sharad Babu Pillai**, **Dr. Deepak Upadhayay**, **Dr. Bhumi Baraiya**, and **Dr. Anjali Patel** for their guidance, camaraderie, and the wealth of knowledge they shared.

I am deeply thankful to my lab-mates **Mr. Shardul Vadalkar**, **Mr. Bhautik Dhor**, **Mr. Hemang Tanna**, **Miss. Heli Mistry**, **Miss. Zarna Ponkiya**, **Miss. Heera T. Nair**, **Mr. Darshil Chodvadiya**, **Mr. Santosh Kumar Kaushik**, **Mr. Akhilesh Gupta**, and my lab juniors **Namrata Tukadiya** and **Ashvin Kanzariya** for their constant support and cooperation.

I wish to convey my deep admiration to **Prof. Krzysztof Jan Kurzydłowski** and **Dr. Izabela Zglobicka** for creating an unforgettable experience during my time at Bialystok University of Technology in Poland.

I extend my appreciation to **Dr. Milton Jana** for his instrumental role in connecting me to this university, as well as for his unwavering support and motivation.

My friends **Saswati Gayen**, **Alpesh Sheth**, and **Prasenjit Barik** have been a pillar of strength throughout this journey, and I am grateful for their love and support.

Last but certainly not least, I wish to acknowledge the unshakable support and sacrifices made by my family, especially my parents and my sister, **Shri Prithwis Kumar Jana**, **Smt. Kalyani Jana** and **Dr. Gargi Das (PT)**. Their unwavering belief in me and their unconditional love have been the cornerstone of my perseverance.

In memory, I also wish to pay my respects and acknowledge the blessings of my grandparents, (late) **Shri. Paresh Ch. Jana**, (late) **Smt. Binapani Jana**, (late), **Shri. Prakash Ch. Jana**, and (late) **Smt. Radharani Jana**. Their memory and the values they instilled in me continue to guide my path.

Ultimately, I dedicate my profound gratitude to the supreme energy that guides the universe, whom I refer to as **God**, a manifestation of fundamental forces in nature. This force has provided me with the strength, resilience, and inspiration to overcome challenges and reach this significant milestone in my academic journey.
