

ACKNOWLEDGEMENT

At the very outset, with folded hands, I bow my head with reverence and dedicatedly accord my gratitude to the Almighty “GOD”, the merciful and compassionate whose grace, glory and blessings gave me the courage in critical times for the successful completion of this degree.

I express my sincere and wholehearted sense of gratitude and indebtedness to my Guide, Prof.(Dr.) Madhu Sharan (Former Head) , Department of Clothing and Textiles, Faculty of Family and Community Sciences, The Maharaja Sayajirao University of Baroda, Vadodara, for planning the programme of study. Her intellectual stimulation, valued guidance, painstaking assistance, and constant encouragement during my research period have helped towards the successful completion of this endeavour. I shall forever be indebted to her for inculcating in me the patience and habit of hard work.

I would also like to express my sincere gratitude to my Co-Guide Prof. (Dr.) D.P. Chattopadhyay (Retd. Professor) Department of Textile Chemistry, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda, Vadodara for his valuable guidance, suggestions and support during the full tenure of my Ph.D, especially whenever I worked in the laboratory experiments trials.

My cordial thanks and gratitude to Prof.(Dr.) Anjali Karolia (Retd. Professor & Former Dean), Department of Clothing and Textiles, Faculty of Family and Community Sciences, The Maharaja Sayajirao University of Baroda, Vadodara, for her valuable suggestions, cheerful behaviour, towards the research and researcher always which encouraged me to work more!! to research more!!

I would like to express my gratitude to all the faculties of the Department of Clothing and Textiles, Prof. Amita Pandya (Retd. Professor), Ms. Vandana Chauhan (Retd. Professor), Dr. Reena Bhatia, Dr. Hemlata Raval, Dr. Falguni Patel, Dr. Rajni Yadav for their judicious guidance, ever encouraging attitude.

I am grateful to Prof. Suhas Asgaker, Professor at DKTE Society's Textile and Engineering Institute, Ichalkaranji, Kohlapur, Maharashtra, who initially suggested and encouraged me to work on this research.

I would like to thank Dr. S.C. Mali (Associate Research Scientist) at the main Sugarcane Research Station, Navsari Agriculture University, Navsari, Gujarat, for easy

procurement of waste bagasse and for sharing information about the varieties and other content of Sugarcane production.

I take this opportunity to extend my sincere thanks to the Head, Department of Textile and Fibre Engineering, IIT, Delhi and Prof. R Chattopadhyay (Emeritus Professor), Department of Textile and Fibre Engineering, IIT, Delhi for permitting me to prepare Non-woven in the department laboratory and, for generous help as and when needed.

I am also grateful to Prof.(Dr.) Rao Vandana, the expert of SEM from the Department of Metallurgical and Material Engineering, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda, Vadodara for conducting SEM testing. An earnest expression of gratitude to Dr. Adhar Mandot, Department of Textile Testing, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda, Vadodara for their precious time and guidance, his support and help with Tensile strength testing.

I also render my wholehearted thanks to the Head, Department of Chemistry, Faculty of Science, The Maharaja Sayajirao University of Baroda, Vadodara for his permission and support for FTIR testing in the Department laboratory.

I would like to express gratitude Mr. Adarsh K Sinha (Chief General Manager) and Head of Regional Geoscience Lab (RGL), Oil and Natural Gas Corporation Ltd(ONGC), Vadodara, Gujarat, for his permission and support for providing different Crude oils required in the study.

I extend my sincere thanks to Mr. Shailesh Kumar for helping me to extend my mechanical vocabulary and fabrication of Apparatus for extraction with utmost care and patience.

I would like to thank UGC for providing the BSR-JRF & SRF Fellowship, which has been a big support financially for the smooth conduct of the study.

I would like to pay a special note of thanks to Milin bhai and Sonal ben who proactively helped at various stages of administrative tasks at University Head office.

I would like to express gratitude to the administrative team of the department, Dave bhai, Nainesh bhai, Dilip bhai, Nishant bhai, Sanjay bhai, Heena ben, Siddarath bhai, Ragini ben and my sincere thanks to Mrs. Mamta (librarian) who has always assisted and solved all my library related queries. I also thank Sachin bhai, Ila ben, Kapila ben, Harish bhai, Santosh

bhai, Girish bhai and Anita ben for all their cooperation and assistance during laboratory experiments.

No appropriate word could be traced in the present lexicon to convey my profound gratitude to my affectionate Parents. Hence, before I embark upon the presentation of this study, I wish to acknowledge gratefulness to my father Mr. Kunwar Pal Singh and my mother Mrs. Shyama Devi for being a pillar of support and a source of strength and inspiration for me.

Indeed the words at my command are inadequate to acknowledge my dearest brother Mr. Pramod Gangwar, sister in law Mrs. Suman Gangwar, Loving sisters Mrs. Chhaya Gangwar and Mrs. Shikha Gangwar for their selfless endless love, encouragement and motivation at every stage of my life.

I feel pleasure in acknowledging the warm affection and constant support I received from my best friends: Saurabh, Priyanka, Smita, Megha and Siddha who encouraged and supported me always in good or bad times.

I wish to accord my cordial thanks to my friends with whom I have completed my Ph.D tenure: Amrita Mam, Sukriti di, Arpita di, Jeni di, Ankita Patadiya, Gurvinder Mam, Vandita di, Ankita shroff, Meeta Mam, Isha Mam, Latika and loving juniors Nancy, Sumi, Sonu and Roshni for their help and unwavering faith in me. They always gave suggestions, cheered me up and encouraged me with their best wishes.

I would also like to thank Mr. Aakash Dewangan (IRS), Director, National Institute of Fashion Technology (NIFT), Kangra, Himachal Pradesh and other academic, administrative officers and staff for their kind support. I convey my sincere thanks to my colleagues and friends at NIFT, Kangra : Mr. Pavittar Punit Singh Madan Sir, Mr. Saurabh Garg Sir, Dr. Chavi Goyal Mam and Dr. Swati Sharma for extending their help whenever required.

In the end, I am thankful to all those who may not have been mentioned but none is forgotten. Needless to say, errors and omissions, if any, are mine.

“My thesis dedicated to my beloved Parents”
