-------	-------------------

CHAPTER 1

Studies in the synthesis of
pyrano quinolines

SECTION 1

Synthesis of pyrano (3,2-c)
and (2,3-b) quinoline derivatives

Theoretical 2

Experimental ~~54~~ 52

SECTION II

Cinnamylation of 4-hydroxyquinoline
derivatives and acetoacetanilide
derivatives.

Theoretical..... 70

Experimental 130

SECTION III

Synthesis of pyrano(3,2-c)quinoline
derivatives by Perkin and Knoevenagel
reaction

Theoretical 131

Experimental 185

CHAPTER II

Studies in the synthesis of
nitrogen mustards as anticancer
agents

Introduction 198

SECTION I

Synthesis of nitrogen mustards
from 4-(2)-quinolyl- amino
benzoic acid derivatives

Theoretical 218

Experimental 229

Tables 232

SECTION II

Synthesis of nitrogen mustards
from 4-quinolyloxy acetic acid
derivatives

Theoretical 254

Experimental 260

Tables 262

SECTION III

Synthesis of nitrogen mustards
from 2-(4)-Hydrazinoquinoline
derivatives

Theoretical	268
Experimental	276
Tables	278

CHAPTER III

Synthesis of 3,4'-methylene-bis
(2,2'-dichloro-4'-methyl quinoline)

derivatives

Theoretical	286
Experimental	317
Tables	321
