CHAPTER ONE	
INTRODUCTION	
I. Significance of the Study	1
II. Objective	3
III. Issues Examined	3
III.1 Basic Concepts	3
III.2 Major Constitutional Issues of Nigerian Federal Finance	4
III.3 Measurement of Vertical Fiscal Imbalances	4
III.4 Vertical Fiscal Imbalances	4
III.5 Horizontal Fiscal Imbalances	5
III.6 Fiscal Dependence of the States	5
III.7 Degree and Trend of Inequality Amongst the Regions and States in Revenue and Expenditure variables	6
III.8 Determinants of Statutory Transfers, Federal Grants and Federal Loans to the States in Nigeria	6
III.9 Determinants of the Disparity in the Expenditure of Nigerian Regions on Socio-economic Services	7
IV. Sources and Coverage of Data	7
V. Methodology	8
VI. Limitations of the study	8
CHAPTER TWO	
10 - 50	
CONCEPTS AND METHODOLOGY	
I. Introduction	10
II. Concepts	10
II.1 Fiscal Imbalances	10
II.1.1 Vertical Fiscal Imbalances	12

	PAGE
II.1.2 Horizontal Fiscal Imbalances	17
II.2 Fiscal Adjustment	19
II.3 Fiscal Equalization	20
II.3.1 Vertical Fiscal Equalization	20
II.3.2 Horizontal Fiscal Equalization	21
II.4 Independent Revenue	22
III.Methodology	25
III.1 Universe of Study	25
III.2 Tools and Techniques	26
III.2.0 Vertical Imbalance : Methodology Applied	26
III.2.1 Vertical Imbalance : Traditional Measures Revisited	27
III.2.2 Modelling the Vertical Imbalance Ratio	32
III.2.3 Our Approach	39
III.2.4 Vertical Fiscal Equalization	39
III.2.5 Horizontal Fiscal Imbalance	41
Appendix II Application of the Vertical Imbalance Ratio (VIR)	45

CHAPTER THREE

51 - 91

MAJOR THEORETICAL ISSUES ON NIGERIAN FEDERAL FINANCE

I.	Introduction	51
II.	Revenue Jurisdiction of the Federal and the States	52
III.	Evolution of Federal-State Division of Revenue Allocation System	54
IV.	Inter-State Revenue Allocation System	58
IV.1	The Ideology	58
IV.1.1	Equity and the Evolution of Equity Principles in Nigerian Federal Finance	59
IV.1.2	Efficiency as a Principle of inter-governmental resource devolution	63

	PAGE
IV.2 The Principles of Revenue Allocation in Nigeria	67
IV.2.1 Derivation	67
IV.2.2 Equality-of-State/Minimum Responsibility	70
IV.2.3 Population	72
IV.2.4 Internal Revenue Effort	74
IV.2.5 School Enrolment Ratio	76
IV.2.6 Other Principles	76
IV.2.7 Allocation of Grants and Loans	77

CHAPTER FOUR

92 - 123

VERTICAL DIVISION OF RESOURCE AND RESPONSIBILITY IN NIGERIA - AN EMPIRICAL ANALYSIS

I.	Introduction	92
II.	Issues Examined	92
III.	Theoretical Background for the Vertical Division of Resource and Responsibility in Nigeria	93
IV.	Receipts of the Governments	96
	IV.1 Total Receipts of the Federal and State Governments of Nigeria (Current and Capital) Before Transfers : Trends	97
	IV.2 Revenue Centralization - An Explanation	100
V.	Total Expenditure of the Federal and State Governments of Nigeria	109
VI.	The Degree of Fiscal Independence of the Federal and State Governments of Nigeria	112

CHAPTER FIVE

124 - 179

THE DYNAMICS OF FEDERAL FISCAL TRANSFERS TO THE STATES IN NIGERIA

I.	Introduction	124
II.	Issues Examined and Methodology Applied	129
	II.1 Issues Examined	129

	<u>PAGE</u>
II.2 Methodology Applied	130
III. Structure and Trend of Federal Transfers to the States in Nigeria	131
III.1 Structure of the Aggregate Transfers	131
III.2 Trend of Federal Transfers to the States in Nigeria	135
III.2.1 Trend of the Aggregate Transfers	135
III.2.2 Trend of Statutory Transfers	135
III.2.3 Trend of Federal Grants	136
III.2.4 Trend of Federal Loans	137
III.3 Structure and Trend of Statutory Transfers (Non-Distributable and Distributable Pool Accounts)	138
III.3.1 Composition of the Non-Distributable Pool Account	139
III.3.2 Composition of the Distributable Pool Account	141
III.3.3 Structure of Statutory Transfers	141
III.3.4 Trend of the Non-Distributable Pool Account	143
III.3.5 Trend of the Distributable Pool Account	144
IV. Federal Transfers Versus Federal Receipts	145
V. Federal Transfers Versus States Revenue and Expenditure	151
V.1 Federal Transfers Versus States' Revenue	151
V.2 Federal Transfers Versus States' Expenditure	157
VI. The Determinants of Federal Transfers to the States of Nigeria -- Regression Analysis	162
VI.1 Determinants of Total Statutory Transfers	162
VI.2 Determinants of Capital Transfers : Federal Grants and Loans	164
VI.3 Methodology	166
VI.4 Empirical Results	168
VI.4.1 Determinants of Statutory Transfers	168
VI.4.2 Determinants of Federal Grants	171
VI.4.3 Determinants of Federal Loans	174

CHAPTER SIX

180 - 203

**THE DEGREE AND BEHAVIOUR OF VERTICAL
FISCAL IMBALANCE UNDER ALTERNATIVE
DEFINITIONS OF FISCAL VARIABLES**

I.	Introduction	180
II.	Issues Examined	180
III.	Methodology	181
IV.	Vertical Fiscal Imbalance in Nigeria Under the Traditional Definition of Independent Revenue of the governments	181
IV.1	Degree and Trend of Vertical Fiscal Imbalance Before Transfers	181
IV.2	Degree and Trend of Vertical Fiscal Imbalance after Statutory Transfers	185
IV.3	Degree and Trend of Vertical Fiscal Imbalance After Grant Transfers	187
IV.4	Degree and Trend of Vertical Fiscal Imbalance After Loan Transfers	188
IV.5	Degree and Trend of Vertical Fiscal Imbalance After All Transfers	189
IV.6	Reduction in Vertical Inequality By Federal Transfers	191
V.	Vertical Imbalance in Nigeria Under the Redefined Independent Revenue of the Governments	194
V.1	Degree and Trend of Vertical Fiscal Imbalance in Nigeria Before Transfers	194
V.2	Degree and Trend of Vertical Fiscal Imbalance in Nigeria After Grant and Loan Adjustments	195
V.3	Reduction in Vertical Inequality By Federal Grants and Loans	199

CHAPTER SEVEN

204 - 228

**AN ANALYSIS OF THE HORIZONTAL FISCAL DISPARITY AND
THE INTER- REGIONAL DEVOLUTION OF RESOURCES**

I.	Introduction	204
II.	Issues Examined	208

	PAGE
III. Inter-Regional Fiscal Disparities in Nigeria : In term of Per Capita Independent Revenues	208
IV. Disparity in Per Capita Expenditure of the Regions	210
V. The Gap Between Expenditure and Independent Revenue of the Regions of Nigeria.	213
VI. Disparity in Federal Transfers to the Regions of Nigeria	215
VI.1 Disparity in Per Capita Statutory Transfers to the Regions of Nigeria.	216
VI.2 Disparity in Per Capita Federal Grants to the Regions of Nigeria	218
VI.3 Disparity in Per Capita Federal Loans to the Regions of Nigeria	220
VI.4 Disparity in Per Capita Aggregate Federal Transfers to the Regions of Nigeria	222
VII. Disparity in Per Capita Total Revenue of the Regions of Nigeria	225

CHAPTER EIGHT

229 - 273

STATE-WISE ANALYSIS OF HORIZONTAL DISPARITY AND INTER-JURISDICTIONAL REVENUE DEVOLUTION IN NIGERIA

I. Introduction	229
II. Issues Examined	229
III. Disparity in Per Capita Independent Revenue of the States of Nigeria	230
IV. Disparity in Per Capita Expenditure of the States of Nigeria	235
V. The Pre-Transfers Budget Deficit/Surplus of the Nigerian States	239
VI. Disparity in Federal Transfers to the States of Nigeria	244
VI.1 Disparity in Per Capita Statutory Transfers to the States of Nigeria	244
VI.2 Disparity in Per Capita Federal Grants to the States of Nigeria	248
VI.3 Disparity in Per Capita Federal Loans to the States of Nigeria	251
VI.4 Disparity in Per Capita Aggregate Federal Transfers to the States of Nigeria	254

	PAGE
VI.5 Disparity in Per Capita Aggregate Revenue of the State of Nigeria	258
VII. Changes in the Relative Positions of the Nigerian States in the Noted Revenue Variables, during 1971-79 and 1980-85.	263
VIII. The Issue of Progressivity or Regressivity of Federal Transfers to the States of Nigeria	268

CHAPTER NINE

274 - 322

**THE DEGREE OF HORIZONTAL INEQUALITY AND THE
EQUALIZING TENDENCY OF FEDERAL TRANSFERS TO
THE REGIONS AND STATES OF NIGERIA**

I. Introduction	274
II. Issues Examined	275
III. Methodology	276
IV. Inequality in Per Capita Independent Revenue of the Regions of Nigeria	278
V. Inequality in Per Capita Statutory Transfers to the Regions of Nigeria	278
VI. Inequality in Per Capita Federal Grants and Loans to the Regions of Nigeria	284
VII. Inequality in Per Capita Total Transfers and Per Capita Total Revenue of the Regions of Nigeria	285
VIII. The Equalization Impact of Federal Transfers on Independent Revenue of the Regions of Nigeria	286
IX. Inter-State Inequality in the Revenue Variables, 1968-88	295
IX.1 Inequality in Per Capita Independent Revenue of the States of Nigeria	295
IX.2 Inequality in Per Capita Statutory Transfers to the States of Nigeria	296
IX.3 Inequality in Per Capita Federal Grants and Per Capita Federal Loans to the States of Nigeria	300
IX.4 Inequality in Per Capita Total Transfers and Per Capita Total Revenue of the States of Nigeria	301
X. The Equalization Impact of Federal Transfers on the Per Capita Independent Revenue of the States of Nigeria	302

	PAGE
XI. Inequality Amongst the Regions of Nigeria in Per Capita Expenditure on Socio-Economic Services	309
XII. Inequality Amongst the States of Nigeria in Per Capita Expenditure on Socio-Economics Services	310
XIII. The Determinants of the Inequality in the Regional Per Capita Expenditure on Socio-Economic Services	314
XIII.1 Determinants of the Inequality in the Regional Expenditure on General Administration	315
XIII.2 Determinants of the Inequality in Regional Expenditure on Health Services	319
XIII.3 Determinants of the Inequality in Regional Expenditure on Other Social Services	320
XIII.4 Determinants of the Inequality in Regional Expenditure on Economic Services	321
CHAPTER TEN	323 - 331
CONCLUSION	
I. Summary of Major Findings	323
II. Policy Implications of the Findings and Suggestions	327
III. Possible Areas of Further Research	330
BIBLIOGRAPHY	332 - 343
