

A C K N O W L E D G M E N T

I am greatly indebted to Prof. C.V. Ramakrishnan, Hon. Director, Am.PL-480 Research Projects, Biochemistry Department, for taking me as a Research student for my Ph.D. degree under his able guidance for the last three years and also for the award of a Research Fellowship under the Am.PL-480 Research Project: ~~FG~~-In-449 for the last three years.

My thanks are also due to Dr. S.V. Ganapati, Principal Investigator, Am.PL-480:~~FG~~-In-449 Research Project for his guidance in the day to day work during the period of research.

My appreciation is also expressed to Dr. P.M. Ambedkar, Reader, Zoology Department, M.S.University of Baroda, Baroda and to Dr. (Mrs.) Indira S. Jayangoudar, Scientist, Ahmedabad Zonal Centre of the Central Public Health Engineering Research Institute, Nagpur for their help of identification of animal and plant organisms respectively.

Last but not the least, I should like to take this opportunity to thank Dr. G.S. Venkatraman, Microbiology Department of the I.A.R.I., New Delhi for supplying the algal specimens used in my thesis.

My heartfelt thanks are due to my MOTHER, whose consistent encouragement has inspired me to realise the goal.
