

## ACKNOWLEDGEMENTS

First and foremost, I wish to acknowledge the strength that god almighty bestowed on me to carry out this work with courage and conviction.

My words fail me to express my deep debt of gratitude to my guiding teacher and supervisor. **Dr. Pradeep T. Deota**, (presently with the Department of Applied Chemistry, M.S. University of Baroda) for his dynamic guidance and enthusiastic approach throughout the course of this work. It was only his unique possession of vast knowledge, luminous guidance, immaculate suggestions and ever helping attitude, which made my destination possible so smoothly. His deep-passion for perfection of work has not, only cared the present study, but shall always guide me in future.

I wish to express my sincere thanks to **Dr. M.H. Mehta** (presently vice-chancellor, Gujarat Agricultural University) and **Dr. A.M. Dave** (Member Secretary) GSFC Science Foundation for encouragement with intellectual and infrastructural support. Thanks are due to the management of GSFC Science Foundation for awarding Research Fellowship and providing all other necessary facilities.

I am grateful to **Dr. K.A. Patel** (Ex. Senior Manager) R & D Center, GSFC Ltd for his enlightening abetment throughout the period of research.

I express my sincere thanks to **Dr. A. K. Varshney** interest in the work and providing necessary facilities from which my work had been greatly benefited.

My heartfelt acknowledgement goes to **Dr. K. J. Mehta**, Manager, GSFC Ltd., for his valuable suggestions to enable better understanding of certain aspects of my life.

I am thankful to **Prof. A.K. Rakshit**, Head Department of Chemistry, M.S.University of Baroda for providing the department facilities.

My thanks are due to **Prof A.C. Shah**, Dean, Faculty of Science, and M.S. University of Baroda for this keen interest and support during my research work.

I extend my thanks to **Mr. M.R. Kalaria** (Entomologist) R & D Center, GSFC, for their useful discussion and help during the course of this work.

My sincere thanks are also due to **Mr. Ketan Patel, Mr. Rajul Shah, Mr. Samir Patel, Mr. R.D. Mehta, Mr. Rakesh Desai** and all staff members of R & D Center GSFC Ltd., for their utmost co-operation and support.

I am also thankful for **Dr. Kiran Bhatt, Mr. Piyush Desai**, and **Mr. Jiten Mehta** and all staff members of GSFC Science Foundation, for their kind co-operation and support.

I take this opportunity to thank **Prof. B. V. Kamath** and **Late Dr. S. S. Kansara** for their useful discussions during the course of this work.

I am also thankful to **Mr. Shrivastu**, Choksi Laboratories for recording IR and UV spectra.

I am also thankful to **Mr. Raju Patil**, Transpek India Ltd., for his help during the course of my research work.

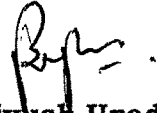

I shall always remember my friends for their friendly co-operation, moral support, care and good wishes.

I am very much grateful to **Jayesh, Jitixa, Maulik**, and **Parul** and all family members for their moral support, tolerance and large patience through various stages of the work. Without their co-operation and support it would not have been possible to bring this thesis to its final form.

My wife ***Bijal*** lost the most, while I gained in this study and I am thankful to her for her unfailing support and encouragement.

Finally, it is love and endurance of ***my parents***, who provided moral support throughout my academic carrier. They are my continuous source of inspiration and strength.

At last, I must thank all those who helped me directly and indirectly during the pursuance of the research work.

**Piyush Upadhyay**
