CONFIRMATION ON THE COMPLETION OF THE SCHOLARSHIP STAY

This is to certify that **Mr. Sagar Patel** has been awarded an 8 months SAIA research fellowship. He has started his scholarship stay at the Institute for Heart Research, Slovak Academy of Sciences, Bratislava on 11/12/2017. His scholarship stay will be finished on 06/08/2018. During his stay, he has actively participated in research activities carried out at the Institute for Heart Research, SAV. Due to participation in these projects he learned some new experimental skills, such as Echocardiography in small animals, isolated heart perfusion, intracardial pressure-volume loop measurement for the left ventricular function assessment, left anterior descending artery ligation *in vivo* to induce ischemia-reperfusion injury and Western blot technique. He also participated in several scientific meetings related to the topic of research. These experience and scientific achievements will help him a long way in his professional career.
