### **Shree Ganeshay Namah:**

With the sense of gratitude & respect, I would like to express my heartiest thanks to all who guided and supported me during my entire research work and helped me in making it a rejoiced accomplishment. They were very generous in sharing their time and knowledge with me and were also a constant source of inspiration and motivation throughout.

Foremost, I would like to express my sincere gratitude to my guide **Dr. Kirti V. Patel** Associate Professor, Faculty of Pharmacy, The M.S. University of Baroda for her valuable guidance, encouragement, supervision and support. She was always there whenever I ran into a trouble spot or had a question about my research work. She steered me in the right direction whenever I needed it. Apart from the research, she also imparted her life learning experiences and wisdom to nurture me not only as a research Scholar but also as a human being. I sincerely apologize to you for my slip ups, indiscipline and any trouble I caused you in this journey.

I would like to express my sincere gratitude to **Prof. Mange Ram Yadav**, Former Dean, Faculty of Pharmacy, The M.S. University of Baroda for providing me with an opportunity to work and collaborate with the Pharmaceutical Chemistry department. His years of vast experience and thorough subjected knowledge enriched me to gain better insights. His passion, commitment, and ethics towards the work has inspired students like me and thousands of others till today.

I would also like to express my gratitude towards **Mr. Shiv P. Rathod**, Former Associate Professor, Faculty of Pharmacy, The M.S. University of Baroda for imparting critical subject knowledge for the betterment of my research project. As a master's student, I started my journey as a research student, and I was fortunate to be the student of Rathod Sir. His enthusiasm and humble nature speak volume about his character and motivates us to be like him.

I would also like to thank **Prof. Krutika K. Sawant**, Dean, Faculty of Pharmacy, The M.S. University of Baroda for providing necessary facilities and rendering their co-operation during this project. I am also thankful to **Dr. Hetal Thakkar**, Coordinator, Shri G.H Patel Pharmacy Building for providing the necessary requirements and facilities for the completion of project work.

I was also very lucky to have **Dr. Hardik Gandhi and Dr. Anshuman Sinha** as my senior Ph.D Research scholars, from my Master's study. They have played a big role in teaching me basic skills of experimental Pharmacology and it helped me to become a competent researcher. Their jolly and easy-going nature never made me feel like a junior and provided me to share my ideas and views with them. I am also thankful to my seniors from my Master's study, **Dr. Bhavesh Variya** and **Mr. Jinal Trivedi** for always being there to help me and share their valuable time and resources.

During my journey, I was accompanied by a talented research scholar of my laboratory. I am thankful to **Dr. Hardik Savsani, Dr. Prachi Karia, Ms. Trupti Dubey** for all the support in and outside of the laboratory.

I am very grateful to have friends like **Dr. Dushyant Patel** and **Dr. Nirav Patel** during my journey, who were not only friends but wonderful and joyful colleagues to work together. We have always worked in synergy to help and complete the goal together. I am also grateful to them for providing me the compounds for my study. I will always cherish my time with them.

Completion of my Ph.D would not be possible without help, support, motivation of **Ms. Shivangi Patel** and **Mr. Hardik Parmar**. They were always with me whenever I needed them. Whenever I was a little bit stressed with work or writing, your words "**Tension na lo sir, Thai jashe**" gave me relief and assurance. I will always be grateful to them.

During my journey as a research Scholar, I also had the opportunity to transfer my skills and knowledge to budding enthusiastic master students and simultaneously also learn from them. This journey was filled with knowledge and interactive ideas and fun and I also developed wonderful relations of lifetime. I am also thankful to **Mr. Amit Patel, Mr. Jaimin Chaudhari, Mr. Pallav Gandhi, Ms. Annie Macwan, Ms. Dipika Chavda, Mr. Bharat Chaudhari, Ms. Bhumi Desai, Ms. Riya Vadhre, Ms. Rehanna** for all the wonderful memories

I am also very grateful for the help of **Mr. Parin Choksi, Mr. Mayur Parmar** and **Dr. Hiral Dave** for the valuable help imparted by them in the analytical work and successful completion of the work. I am also very grateful for the immense help and assistance of Mr. Tanmay Varma, NIPER Mohali and Mr. Himanshu Panchal for docking studies.

I am very thankful to **Mrs. Vaishali mam, Mr. Bharatbhai** and **Mrs. Bhumiben**, our administrative staff, for all the support and clerical help required during this research project. Completion of any work is not possible without the support of family; I bow down to my God on the Earth, "**My Parents**". Their endless support and motivation always encouraged me to

be better. They have always been my backbone whenever I severely failed, they motivated me to stand up and work even harder for that. I have always admired attitude of my father, **Mr. Piyush Patel**, who always taught me to give your 100 % sincere effort to work and rest leave up to God. Whatever happens, happens for good! My Mother, **Mrs. Hemlata Patel** has always been a great inspirational figure to me. Despite her physical illness, she is always there to support and help in every way possible. I will always be in debt for their sacrifice and hard work to help me reach where I am today.

I am also grateful to my better half, **Ms. Vidhi Patel**, for her endless support during all thick & thins. I know I might have given you headaches sometimes with my long studies. You have been my constant support and motivated me to do better.

I am also lucky to have loving and caring in-laws who always supported me for my research studies. I always admire my intellectual discussion with **Mr. Dhaval Mehta**. His life learning and wisdom enriched my knowledge. I am also grateful to my Mother-in-law, **Mrs. Mamta Mehta** for her delicious food and care. I am thankful to **Mr. Vishad Mehta** for the sweet surprises of food dishes and tea party.

I am also thankful to the non-teaching staff of Shri G.H Patel pharmacy building and Kalabhavan Building to help me during this journey.

I am also thankful to my current colleagues, **Mr. Vishal Gupta, Mr. Ajay Shelke, Mr. Afzal Nagani, Dr. Varun Singh Saggi, Mr. Niravsinh Rathod** and **Mr. Salaman Patel** for their support and assistance, fulfilling my duties when I was away from work.

Lastly, I will always be grateful to the animals who sacrificed their lives and made my research work possible.

**Sagar Patel**
