

**LIST OF TABLES IN THE VARIOUS
CHAPTERS**

=====

CHAPTER IV

TABLE NO.		PAGE
4.1	Distribution of No. of Buildings paying house tax in the Different Wards.	.. 64
4.2	Frequency Distribution of Households from the different wards.	.. 66

CHAPTER V

5.1	Distribution of Households according to Family Structure in the Various Expenditure Classes	.. 81
5.2	Average Family Size according to Family Structure.	.. 81
5.3	Distribution of Household Members according to Age in the Different Expenditure Classes.	.. 85
5.4	Number of Households in the Different Stages of Life Cycle.	.. 87
5.5	Distribution of Members according to Sex in the Various Expenditure Classes.	.. 88
5.6	Distribution of Heads of Households and Housewives according to their Educational Qualifications.	.. 89
5.7	Distribution of 185 Households according to Occupation in the Different Expenditure Classes (Aggregate Monthly Expenditure).	.. 94

CHAPTER VI

6.1	Proportionate Expenditure on Commodity Groups of Middle Class Households from four Cities and Affluent Households of Baroda City.	.. 97
6.2	Consumption Pattern of the Sample Households, the Items Ranked according to the Engel Ratios (Per Capita Per Month).	.. 99

(Continued...)

(List of Tables Continued)

TABLE NO.	PAGE
6.3 Engel Ratios for 18 Major Items of Expenditure for 185 Households (Per Capita Per Month) ..	101
6.4 Total Monthly Expenditure of Households on Food and Non-Food Items respectively, absolute Values and as Percentages of Aggregate Monthly Expenditures in the Different Income Classes ..	105
6.5 Mean Monthly Expenditure of Households classified according to Aggregate Monthly Expenditure on Total Food and Non-Food Items. ..	107
6.6 Per Capita Expenditure on Food and Non-Food Items by Expenditure Classes (in Rs.) ..	108
6.7 Mean Monthly Household Expenditure on Food Items for Different Categories of Income as Percentage of Aggregate Monthly Expenditure. ..	110
6.8 Monthly Expenditure on Non-Food Items for Different Categories of Income as Percentage of Aggregate Monthly Expenditure (Per Household). ..	111
6.9 Monthly Expenditure on Food Items for Different Categories of Income as Percentage of Total Expenditure on Food (Per Household). ..	112
6.10 Monthly Expenditure on Non-Food Items for Different Categories of Income as Percentage of Total Expenditure on Non-Food (Per Household). ..	113
6.11 The Eighteen Items Consumed Most by the Households under the Different Income Groups (Ranked according to Percentage of Total Expenditure). ..	116

CHAPTER VII

7.1 Per Capita Monthly Consumption of Rice and Wheat among Rice Eaters (R) and Wheat Eaters (W) Value in Rs. ..	122
7.2 Per Capita Monthly Expenditure on Food (in Rs.) of Vegetarians and Non-Vegetarians. ..	123

(Continued...)

(List of Tables Continued..)

TABLE NO.		PAGE
7.3	Per Capita Monthly Consumption of Non-Vegetarian and Vegetarian Households (Sub-Classified according to Educational Level of Households) of Cereals and Pulses, Proteins and Vitamin-rich Foods (Excluding Eggs) and Fats (Ghee, Butter, Oil) (in Rs.).	..128
7.4	Per Capita Monthly Consumption of High Education and Low Education Households (Sub-Classified according to Eating Habits Veg./ Non-Veg.) of Cereals and Pulses, Proteins and Vitamin-rich Food and Fats (Ghee, Butter, Oil).	..129
7.5	Per Capita Monthly Expenditure of 100 Vegetarian Households Classified according to Occupation, Households Classified according to Occupation, on Cereals, Pulses, Proteins and Vitamin-rich Food , Fats (Ghee, Butter, Oil) and Sugar.	..132
7.6	Per Capita Monthly Expenditure of 73 Non-Vegetarian Households Classified according to Occupation on Cereals, Pulses, Proteins, and Vitamin-rich Foods, Fats (Oil, Butter, Ghee) and Sugar.	..134
7.7	t-value of Difference in Mean tests in respect of Per Capita Monthly Consumption of Sugar by 73 Non-Vegetarian Households Classified according to Occupation.	..135
7.8	Per Capita Monthly Expenditure of 173 Households Classified according to Income (Total Expenditure as Proxy) and Occupation, on Clothing and Footwear, Conveyance, Insurance and Rent (including Other Rent and Maintenance) in Rs.	..137

CHAPTER VIII

8.1	Means, Standard Deviations and Coefficients of Variation of Per Capita Monthly Expenditures of Households classified into Three Income Groups, on Certain Commodities and Services.	..170
8.2	t - values of Differences-in-Means tests Between Mean Per Capita Expenditures of the Income Groups I, II and III Taken Pairwise:	..172

(Continued...)

(List of Tables continued..)

TABLE NO.	CHAPTER IX	PAGE
9.1	Estimated Regression Coefficients for Selected Groups of Commodities for 185 Households with Per Capita Aggregate Monthly Expenditure of the Household as the Explanatory Variable.	.. 102
9.2	Total Expenditure Elasticities of Selected Groups of Commodities from Per Capita Expenditures of 185 Households based on Two Engel Models.	185
9.3	Results of Regressions of Per Capita Commodity Expenditures on Per Capita Aggregate Expenditure by Income Groups.	.. 201
9.4	Estimates of Total Expenditure Elasticities for Per Capita Expenditure on Selected Commodities at Three Income Levels.	.. 202
9.5	Regression Table - Food	.. 208
9.6	Regression Table - Non-Food	.. 211
9.7	Regression Table - Cereals and Pulses	.. 213
9.8	Regression Table - Fats	.. 215
9.9	Regression Table - Sugar	.. 217
9.10	Regression Table - Milk, Milk Products, Eggs..	218
9.11	Regression Table - Fruits and Vegetables.	.. 219
9.12	Regression Table - Rent, Other Rents, Maintenance.	.. 221
9.13	Regression Table - Utilities (Electricity, Gas, Fuel)	.. 223
9.14	Regression Table - Clothing and Footwear	.. 224
9.15	Regression Table - Intellectual Activities	.. 226
9.16	Regression Table - Insurance	.. 227
9.17	Regression Table - Conveyance	.. 229
9.18	Regression Table - Domestic Servants	.. 231
9.19	Total Expenditure for Two Engel Forms at Three Consumption Levels for Different Commodity Groups.	.. 234

(Continued...)

(List of Tables Continued..)

TABLE NO.		PAGE
9.20	Total Expenditure Elasticities from Different Sources for Comparison.	.. 236
CHAPTER X		
10.1	Distribution of Mean Expenditure on Durables Per Household during One Year prior to Date of Inquiry.	.. 244
10.2	Pattern of Expenditure on Durables (Per Household) for Three Broad Income Groups during the Year Preceding the Date of Inquiry.	.. 245
10.3	Order of Preference in Durable Items for the Three Income Groups.	.. 246
10.4	Expenditure on Durables per Household according to Family Life Cycle and Income (in 00s Rs.)	.. 249
10.5	Analysis of Variance Table (Low Income) (i.e. Less Affluent) with respect to Family Life Cycle and Expenditure on Durables.	.. 250
10.6	Analysis of Variance Table (Middle Income i.e. Moderately Affluent) with respect to Family Life Cycle and Expenditure on Durables.	.. 250
10.7	Mean and Standard Deviation of Expenditure of Household's on Durables for Group III according to Life Cycle. ('00 Rs.)	.. 251
10.8	Mean and Standard Deviation of Total Expenditure on Durables in the Three Income Groups. (in '00 Rs.)	252
10.9	Analysis of Variance Table with respect to Income Level and Expenditure on Durables.	.. 253
CHAPTER XI		
11.1	Estimates of Marginal Propensities to consume and Total Expenditure Elasticities derived from Regression of Per Capita Commodity Expenditure on Per Capita Total Expenditure.	.. 269
11.2	Total Expenditure Elasticities for Groups of Commodities from Per Capita Linear Regression with Entire Sample and Multiple Regression with Expenditure of Households (i.e. Total Expenditure not Per Capita.
