

## *Acknowledgement*

The accomplishment of this journey has only become possible with the blessings of the Almighty God. Above all, by bowing down in front of the Supreme Being first, I take the opportunity to extend my sincere gratitude and thanks to all who have supported me by any means possible through this journey.

I take the opportunity to express my sincere gratitude to **Padma Bhushan Late Dr. Coluthur Gopalan, Founder President of Nutrition Foundation of India**, for permitting me to undertake my research work from Nutrition Foundation of India, New Delhi

I thank my guide, **Dr. Prema Ramachandran, Director, Nutrition Foundation of India, New Delhi**, for her guidance, support and mentorship. I am indebted to her for her effort to ensure that I follow quality assurance procedures in every aspect of my research study and maintain meticulous of data recording. She also taught me how to for broaden my perspective in nutrition research.

I would like to expresses thanks and deep sense of gratitude to **Dr. K. Kalaivani, Deputy Director, Nutrition Foundation of India**, for supporting, guiding and constantly helping me in data analysis and interpretation of the findings from the study.

I shall always be indebted to the **Department of Foods and Nutrition, The Maharaja Sayajirao University** for allowing me to get registered in the esteemed University.

I would like to express my heartfelt gratitude to **Prof. Mini Sheth, Head of the Department, Foods and Nutrition**, for her valuable guidance and continuous support. Whenever I faced any problem, she always provided support and guidance.

My heartfelt gratitude to **Prof. Meenakshi Mehan** and **Prof. Uma Iyer, Former Head of the Department, Foods and Nutrition**, for their support, valuable inputs and guidance.

I shall always be thankful to **Prof. Anjali Karolia, Dean, Faculty of Family and Community Sciences**, for her kind support. She had been very supportive.

My sincere gratitude and warm thanks to **Dr. Suneeta Chandorkar, Assistant Professor, Department of foods and Nutrition**, for her support throughout my journey.

I would like to express my warm thanks to the faculty for their effort to teach important fundamentals and making the coursework very interesting. The University level coursework had improved my ability in handling of the data for my study.

I am extremely thankful to **Prof. Meenakshi Mehan** and **Prof. Sirimavo Nair** for enriching us with their diverse ideas and knowledge during the Departmental coursework. Words are not enough to thank each and every person in the teaching faculty of the Foods and Nutrition Department for always understanding the problems I had faced during the study and suggesting for the possible solution.

I convey special thanks to all the members of the **Doctoral committee**, for always guiding and improving my research work with their valuable comments.

I am thankful to **UGC** for providing me with grant and timely disbursement of the same for completing my research work. I would like to express a special thanks to **Dr. Kumud Khanna, Former Director, Institute of Home Economics, New Delhi** and **Dr. Shushma Sharma, Nutrition Consultant, Nutrition Foundation of India, New Delhi** for taking their precious time out for assessing the progress of the research and being the committee members in upgrading from UGC-JRF to UGC-SRF.

I would like to thank all my fellow Ph.D. scholars, colleagues and seniors from NFI (**Dr. Anshu Sharma, Dr. R.V. Anusha, Dr. Anshi Goel, Ms. Honey Kumari, Dr. Kamini Prabhakar, Ms. Chanchal Kaira**) and the Department of Foods and Nutrition, The Maharaja Sayajirao University of Baroda, especially **Dr. Shruti Kantawala, Dr. Vijayeta Sengar, Ms. Shweta Patel, Ms. Kanchi Beria, Ms. Yamee Bardoliwala, Dr. Chitrarpita Saha, Dr. Debanjana Bhattacharya, Ms. Neha Garg, Ms. Devanshi Gandhi** and **Ms. Riya Rammohan**. Being an outstation student, I benefitted from their support, prompt response to my queries, letting me stay in their home, helping me to submit required documents. Without such support it would have been very difficult for me to complete this journey.

I owe a special thanks to technical and non-technical staff of NFI who formed our research team especially **Deepika, Hema, Nisha, Babita, Rekha, Anjali, Shalu, Sakshi, Kajal, Jyoti** who were involved in my study.

I am thankful to all the teaching and non-teaching staffs of the Department of Foods and Nutrition for lending me a helping hand whenever I needed. I would like to thank the

administrative staff of The Maharaja Sayajirao University of Baroda and especially, **Meenakshi Ben, Milind Sir, Sonal ma'am and Mayur bhai** for their help in keeping me informed on latest development and compliance with the respect to administrative requirements, like submission of fee, UGC form submission and submission of any paperwork at the University level.

I would like to thank, the **Medical in Charge**, all the **doctors, nurses, lab technicians, pharmacists** and **staff** of the **PHCIs, Child Development Project Officer** of the selected Anganwadi area, **supervisor and worker of the Anganwadis** at Neb Sarai, Lado Sarai, Andheria Mod for being so much supportive.

I am thankful to all pregnant women for consenting and willingly participating in my study.

I am thankful to my mother (**Mrs. Sutapa Pramanik**), my father (**Mr. Ajoy Kumar Pramanik**), my husband (**Mr. Tanmay Pramanik**), **my sons** and all my well-wishers for giving me the support, encouragement, time, and all the resources for completing my research work from the beginning till the completion of it. My family is the source of my strength. I am thankful to them for always motivating and being patient.

Finally, I thank all who played an essential and critical part and walked beside me during this journey of completing my Ph.D. research work.

-Amrita Pramanik
