

List of Figures

Figure Number	Title	Page Number
4.1	Location of the PHCI at which data of Group 1 collected	62
4.2	Location of the PHCI at which data of Group 2 collected	63
4.3	Area of Neb Sarai where data for Group 3 was collected	63
4.4	Area of Lado Sarai where data for Group 3 was collected	64
4.5	Area of Andheria Mor where data for Group 3 was collected	64
4.6	Study Design	69
4.7	Map of Anganwadi showing census	73
4.8	Map of Anganwadi showing census	73
4.9	Standard graph for haemoglobin estimation	102
5.1	Percentage prevalence of anaemia at enrollment	126
5.2	Weight gain during pregnancy (Group 1)	135
5.3	Weight gain during pregnancy (Group 2)	136
5.4	Weight gain during pregnancy (Group 3)	136
5.5	Weight gain during pregnancy (all three groups)	140
5.6	Re Residual weight retention after pregnancy	141
5.7	Frequency distribution of residual weight	142
