

ACKNOWLEDGEMENT

I wish to record my deep sense of gratitude and indebtedness to Dr. R.V. Shah, Professor and Head, Department of Zoology, M.S. University of Baroda for the suggestion of the research problem, inspiring guidance and constant encouragement which enabled me to prepare the present thesis.

I sincerely thank Dr. G.K. Menon for his valuable help and constructive criticism which helped me in conducting the research project.

I also wish to thank Dr. A.V. Ramchandran and other colleagues in the Department for their valuable help in the final preparation of the thesis.

Finally, I gratefully acknowledge the financial help provided by the University Grants Commission in the form of a Junior Research Fellowship.
