

A C K N O W L E D G E M E N T S

I wish to express my indebtedness and deep sense of gratitude to Prof. R. P. Bhatt, Head Department of Botany, The M. S. University of Baroda, for making the present research endeavour possible, constant encouragements and invaluable guidance, althroughout the period of research work.

I also have great pleasure to express deep sense of gratitude to Prof. S. D. Sabnis, Pro - Vice - Chancellor, The M. S. University of Baroda, Baroda, for his keen interest and timely advice, during the period of this work.

I am grateful to Dr. G. P. Senan and Prof. S. J. Bedi, Department of Botany, for their advice and constant help in completion of this thesis.

Grateful acknowledgements are due to Prof. J. A. Inamdar, Ex-Head, Department of Biosciences, V. V. Nagar, for allowing me free access to his valuable reference collection and suggestions.

I wish to extend my sincere thanks to Shri A.S. Negi, DFO East Kutch Division and other forest department officials of East and West Division of Kutch district, for their help in collection of plant materials.

I very much appreciate the help rendered by my departmental colleagues, Miss Shubhada, Shri Jayesh and Dr. M. Nataraj & K. Balaji from V. V. Nagar.

I wish to convey my thanks to Shri Titus and Ajay for doing excellent job of typing. Thanks are also due to Shri Ravi for his help in photography work.

Help rendered by research scholars of the department and friends Drs. Manoj, Atul and Pradeep is duly acknowledged.

Last but not the least, I recall with profound gratitude and affection, the sustained support and encouragements extended to me by my beloved parents, my family members and wife Sou. Vaidehee.

Thanks are also due to University grants commission (UGC) for the award of Research fellowship in completing this work successfully.

A handwritten signature in black ink, appearing to read 'Vinay M. Raole', with a horizontal line drawn underneath the name.
