

## **ACKNOWLEDGEMENT**

***“Shree Ganeshay Namah”***

***I offer my heartfelt thanks to GOD for giving me inner strength to accomplish my research work. Through HIS wisdom and providence, I have reached this significant milestone in academic journey.***

Indeed the words at my command are not adequate in the form of spirits to convey the depths of my feelings of rejoice for my beloved guide Prof. R. C. Patel, who has been my ‘Guru’ as well, a “Father figure” for me, under whose guidance I successfully completed my path to enlightenment. He consistently had faith in me, serving as an inspiration for hard work and nurturing my potential to excel. His commitment to perfection and adeptness at multitasking has been a constant source of motivation. Completing my current study would have been impossible without his guidance, intellectual support, and encouragement. His unwavering belief in me has been instrumental in my journey to where I am today. I take great joy in writing this acknowledgement, and I extend my heartfelt gratitude to you sir.

I am also thankful to Prof. Ashutosh Biswal, Head Department of Education (CASE), Dean, Faculty of Education and Psychology, The Maharaja Sayajirao University of Baroda.

I extend my profound appreciation to my mother Mrs. Sindhu Verma, a constant source of love, support, motivation and concern for my well-being, including my health, meals, and rest. She is constantly been the bedrock of my inner resilience. This research work is nothing but the fulfilment of my mothers’ dream of pursuing Ph. D. I offer my heartfelt gratitude to my brother Mr. Gunjan Priyadarshi for shaping me into the person I am today. His unwavering believes in me has been a constant source of my strength. Despite my moments of self-doubt, he never wavered in his support. He has constantly been just a phone call away, providing motivation and encouragement. He has been my unwavering support, a rock-soild foundation. Without his encouragement, this dream would remain unfulfilled. I am thankful to my in-laws for their silent support and blessings. I am deeply thankful from the depths of my heart, to the most significant person in my life, my husband, Mr. Shatbir Srivastava. I lack the words to convey how

grateful I am to God for bringing him into my life as my life partner. He has truly been a partner in every endeavour, consistently offering his support, listening to my problems, providing solutions, and offering unwavering encouragement. He played a pivotal role in assisting me in completing my thesis. Furthermore, he went above and beyond, clearing paths and overcoming obstacles, even sacrificing parts of his social life, to help me achieve my Ph.D. I am deeply indebted to the little bundle of joy in my life, my son Atharva Srivastava. Whenever, I was tensed, tired and worried his cute and innocent smile relieved me from all my worries and tensions. His “ajeebo gareeb” antics and never give up approach was my true inspiration and inner strength during the toughest times. I would have never been able to complete my thesis, if he would have not come into my life. Thank you BETA for everything.

I wish to thank Dr, Bhavin Chauhan, Dr. Kashyapi Awasthi, Dr. Jyotsana Amin, Dr. Vishram Baldania, Dr. Jignesh Patel, Dr. Neela Dongre who has provided assistance, guidance and cooperation for completion of this study. My special thanks to Dr. Jatin Patel who had helped me in clearing my doubts regarding research methodology. I would also like to thank my dear friends Dr. Naveen Kumar M., Dr. Ramesh M., Mr. Chandrang Pathak, Dr. Deepika Rajawat, Mrs. Shefali Dhimmar, Mrs. Rinki Tiwari and Dr. Nisha Prajapati for their constant motivation and helping me out whenever and wherever I was stuck and being my moral support and strength. I am also thankful to my cousin Mr. Aditya Ranjan Sinha who helped me in getting permission letter for data collection from District Superintendent of Education, Ranchi district.

I am extremely thanks to all my professors and staff members of CASE. This is the place which helped me in attaining the highest qualification of my life.

Finally, I dedicate this work to my Late. Father, Nawal Kishore Verma, believing that he must be in a blissful state in heaven, showering his blessings upon me for my dedication and hard work.
