DISTRIBUTION OF FREQUENCY OF USE OF INTERACTIONAL
SKILLS AND COMMUNICATION STRATEGIES.

Table 15 (included in Appendix H) provides an overview of the Learners' frequency of use of different Interactional Skills. Table 32 included in this Appendix condenses this data to show the distribution of Interactional skills across the three components.

Table 14 (included in Appendix H) provides an overview of Communication Strategies used by the twelve Learners. Table 33 included in this Appendix condenses this data to show the distribution of communication Strategies used, across the different types and sub-types of communication strategies.
