LIST OF TABLES

Table		Page
1.	Learner Responses to Groupwork	3
2.	Indian Graduate Students' Attitude toward various Models of English and Ranking of Models According to Preference	36
3.	Faculty Preference for Models of English for Instruction	37
4.	Graduate Students' Self-Labeling of the Variety of Their English	37
5.	Classification Systems for Analysing Communication Strategies	127
6.	Comparis on of Scores of Two Sets of Learners on the Measure of Communicative Competence in English	154
7.	Statements on the Communicative Competence Scale: Degree of Agreement among Experts regarding Categorisation under Areas of Communicative Competence	158
8.	Comparison of Scores of Two sets of Learners on the Communicative Competence Scale	159
9.	Comparison of Scores of Two sets of Learners on the Semi-Projective Test for Measuring Coping Strategies	163
10.	Occurrence of Different Communication Strategies in the Talk of Twelve Learners	242
11.	Maximum and Minimum Frequencies of Use of Communication Strategies by each Learner	246
12.	Correlational Analyses of selected Pairs of Variables Using Correlation Coefficients r and ρ	263
13.	Learner Profiles: Background Information	363
14.	Overview of Communication Strategies Used by each Learner	364

Table		Page
15.	Frequency of Use of Interactional Skills by Each Learner	367
16.	Learners' Scores on the Three Measures	368
17.	Communication Strategies used by Learner 1 : Rakshma	370
18.	Communication Strategies used by Learner 2 : Kailash	372
19.	Communication Strategies used by Learner 3 : Hina	374
20.	Communication Strategies used by Learner 4 : Ranjit	376
21.	Communication Strategies used by Learner 5 : Malti	378
22.	Communication Strategies used by Learner 6 : Harida	380
23.	Communication Strategies used by Learner 7 : Bela	382
24.	Communication Strategies used by Learner 8 : Ila	384
25.	Communication Strategies used by Learner 9 : Parul	386
26.	Communication Strategies used by Learner 10: Meena	388
27.	Communication Strategies used by Learner 11: Sonal	390
28.	Communication Strategies used by Learner 12: Smita	392
29.	Communicative Competence in English: Break-up of Overall Semester grade for each Learner	395
30.	Self-rating on the Communicative Competence Scale: Break-up of Overall Score for each Learner	396
31.	Break-up of Overall grade for each Learner on the Semi-projective Test for Measuring coping Strategies	397
32.	Distribution of Interactional Skills across components for each Learner	400
33.	Distribution of Communication Strategies used by each Learner.	401
34.	Patterns of Use of Interactional Skills	403
35.	Clusters of Communication Strategy Use related to Level of Communicative Competence in English	404
36.	Clusters of Communication Strategy Use related to Patterns of Use of Interactional Skills	406
