Chapter One: Introduction: Objectives, Significance, Methodology and Scope of the Research

Introduction.....	1
Water related studies in different disciplines.....	2
1.1 Background of Right to Water.....	3
1.1.1 The Idea of Right to Water.....	4
1.1.2. Focus on India and its National Water Policies.....	8
1.2. Statement of the Research Problem.....	9
1.3. Objective of the Present Research.....	10
1.4. Key Research Questions	11
1.5. Conceptual Framework for the Present Research.....	12
1.6. Relevance of the Present Research.....	15
1.7. Research Method	18
1.8. Limitations of the Present Research	21
1.9. Scheme of Chapterisation	21
References.....	24
End Notes.....	28

Chapter Two: Review of the Related Literature

Introduction.....	30
2.1. Water Related Writings in Social Sciences.....	30
2.1.1. Global Overview.....	31
2.1.2. Indian Overview.....	33
2.2 Literature on Water is a Right.....	35
2.2.1. Water Literature: Human Right to Water.....	36
2.2.2. Water Literature: Difference between the terms Water Rights, Human Right to Water and Right to Water.....	37
2.3. Literature on the Idea of Right to Water.....	40
2.4. Literature on India's National Water Policies.....	42
2.5. Literature on Union Water Policies of India in the Context of Right to Water.....	44
2.6. Research Gaps noted in Previous Studies.....	52
2.7. Summary	54
End notes.....	55

Chapter Three: The Concept of Right to Water: Background, Understandings and Major Elements

Introduction.....	56
3.1. Backdrop to the Concept of Rights in Modern Political Thought.....	57
3.1.1 Different Key Perspectives on Rights.....	57
3.1.1.1. Liberal Perspective	58
3.1.1.1.1. Natural Rights.....	58
3.1.1.1.2. Utilitarianism.....	59
3.1.1.2. Human Rights Perspective.....	61
3.1.1.3. Marxist Perspective	63
3.1.1.4. Feminist Perspective	65
3.1.2. Water as a Right: Major Observations from Modern Political Thought.....	68

3.2. Conceptual Evolution of the idea of Right to Water	73
3.2.1. <i>International Level: The Idea of Right to Water</i>	74
3.2.1.1. Emergence of the Concept as an argument against Neoliberalism: Background and Idea.....	77
3.2.1.2. Emergence of Normative Content: General Comment 15.....	80
3.2.2. <i>Regional Level: Constitutional and Legal Undertakings</i>	85
3.2.3. <i>National level: National Constitutions and National Laws</i>	88
3.2.4. <i>Conceptual Evolution of Right to Water: Expansion and Relation</i>	91
3.3. Discussing the Meaning of Right to Water	91
3.3.1. What Right to Water is: The Popular Offerings	95
3.3.2. What Right to Water is Not: The Rejection of Claims.....	95
3.3.3. Meaning of Right to Water.....	99
3.4. Rights Based Approach: Meaning and Significance.....	100
3.4.1. Significance of Rights Based Approach in the Present Research: The Rationale.....	105
3.5. Summary	107
References.....	109
End Notes.....	116

Chapter Four: Background and Evolution of the Understanding of Right to Water in India

Introduction.....	140
4.1. Status of Right to Water in India.....	141
4.1.1. British Colonial India.....	142
4.1.2. Independent India.....	145
4.1.2.1. Emergence of the Concept in National Documents.....	145
4.1.2.1.1 Foundation of the Idea: The Key Constitutional Provisions	146
A. Right to Equality (Article 15 (2)).....	146
B. Right to Freedom (Article 19 (1)(e))	147
C. Right to Life (Article 21)	147
D. Right to Education Act 2009(Article 21 (A))	147
E. Fundamental Duties (Article 51 (A)(g)).....	148
F. Directive Principles of State Policy (Article 48A).....	148
G. Division of Powers between Union, State and Local governments (Entry 56 (List, Entry 17 (List 11) & 73 rd and 74 th Constitutional Amendment Act 1992).....	149
4.1.2.1.2. Reflection of the Idea in Indian Laws: Major Landmarks.....	151
4.1.2.1.3. Planning and Programming Frameworks: Major Assertions.....	153
4.1.2.2. Regional Undertakings and Understandings on the Idea of Right to Water: The Contexts and Key Contents.....	156
4.1.2.3. National and Regional Documents as thin Expounder of the Idea of Right to Water: A Discussion.....	160

4.1.2.4. Indian Judiciary as Definer of Right to Water: Representing Wider Perspective.....	162
Claim 1. Indian Judiciary Upheld Right to Water with Reference to Right to Life	163
Claim 2. Indian Judiciary Holds Indian States as Trustee of Water Resources.....	164
Claim 3. Ideal Measures of Water Management Offered by the Indian Judiciary Corresponding with International Standards	165
Claim 4. Judicial Verdicts have ascertained the Indian State as being Accountable to Provide Water as a Right to All	166
Claim 5. Rubrics and Verdicts of the Indian Judiciary endorsing the Universality of Right to Water.....	167
4.1.2.5. Perspective of Indian Civil Society: Continuation of Wider Perspective.....	168
Claim 1. Objectives of Indian NGOs Intent to Preserve Major Aspects of Right to Water.....	169
Claim 2. Intellectual Offerings Have Strengthened Post Neoliberal Perspective	172
4.2. Emergence, Evolution and Recognition of Right to Water in India as a Process: A Discussion.....	174
4.3. The Need for a National Water Policy.....	178
4.4. Origin and Salient Features of the National Water Policy In India: A Historical Note	180
4.5. Summary	184
References.....	186
End Notes.....	190
 Chapter Five: A Critical Analysis of the National Water Policies of 1987, 2002 and 2012 in the Context of Right to Water	
Introduction.....	198
5.1. Significance of Analyzing Distributive and Management Strategies in the Context of the Idea of Right to Water.....	200
5.2. Framework to Analyse Distributive and Management Strategies in the Context of the Idea of Right to Water.....	200
5.3. Status of Right to Water in the Union Water Policies: An Analysis of Distributive Strategies	204
5.3.1. Right Holders and Real Beneficiaries: Analysis of the Major Principles.....	205
5.3.1.1: Water For/to All: Available, Assessable, Acceptable	206
Commentary on the Selected Sections of the Three Policies: An Analysis of the Table.....	209
If National Water Policies Ensure Water For/to All as per the Value of Right to Water.....	211
5.3.1.2. Children, Women, Disadvantaged and Disables as Special Beneficiaries.....	212
Commentary on the Selected Sections of the Three Policies: An Analysis of the Table.....	213
If Children, Women Disadvantaged Sections and Disabled are classified as Special Beneficiaries in the National Water Policies.....	214
5.3.1.3. Needs and Priority of Water Uses	215

Commentary on the Selected Sections of the Three Policies: An Analysis of the Table.....	217
If process of Water Allocation referred to in the Three National Water Policies Integrates the Principle of Priority Orders.....	217
5.3.2. Identifying Obligations and Obligatory Parties.....	220
5.3.2.1. Government (Union/State/ Local) as Duty Bearers.....	220
Commentary on the Selected Sections of the Three Policies: An Analysis of the Table.....	223
If India's National Water Policies offer Appropriate Measures to Ensure Government's Obligations with respect to Right to Water	224
5.3.2.2. Duty Bearing Responsibilities: Private Sector	
Water Providers.....	225
Commentary on the Selected Sections of the Three Policies: An Analysis of the Table.....	227
If the Obligations of the Private Sector, referred to in India's National Water Policies Integrate the value of Right to Water	228
5.3.2.3. Citizens, Civil Society and Research Community as Duty Bearers	229
Commentary on the Selected Sections of the Three Policies: An Analysis of the Table.....	231
If India's National Water Policies have Standardized the Duties of Citizens, Civil Society and Research Community with respect to Right to Water.....	232
5.4. Status of Right to Water in the Union Water Policies: An Analysis of Management Strategies.....	234
5.4.1. Required Provisions for Infrastructures and Institutional Arrangements.....	235
Commentary on the Selected Sections of the Three Policies: An Analysis of the Table	237
If India's National Water Policies provide Institutional arrangements to ensure Right to Water	238
5.4.2. Mechanism to ensure Regional Needs.....	239
Commentary on the Selected Sections of the Three Policies: An Analysis of the Table	242
If Strategies of Water Resource Management offered in India's National Water Policies balances the National and Regional Requirements with reference to Right to Water	244
5.4.3. Mechanisms to Facilitate, Protect and Promote Right to Water to All.....	244
Commentary on the Selected Sections of the Three Policies: An Analysis of the Table.....	250
If the Management Strategies of National Water Policies Facilitate, Protect and Promote Water as a Right	252
5.4.4. Mechanisms to Ensure Efficiency with Absence of Monopoly, Discrimination and Exploitation	254
Commentary on the Selected Sections of the Three Policies: An Analysis of the Table	258
If India's National Water Policies ensures Efficiency in Water Management with Absence of Monopoly, Discrimination and Exploitation.....	260
5.4.5. Measures to Ensure Accountability, Transparency and People's Participation.....	261
Commentary on the Selected Sections of the Three Policies: An Analysis of the Table	266

If India's National Water Policies Value Accountability, Transparency and People's Participation with respect to Right to Water.....	269
5.4.6. Measures to ensure Sustainability of Water Resources (for Future Use and Protection of the Environment).....	271
Commentary on the Selected Sections of the Three Policies: An Analysis of the Table	273
If the Management Strategies offered in India's National Water Policies have Provisioned to ensure Sustainability of Water Resources and Prevent Environment damages, with Reference of Right to Water.....	274
5.4.7. Monitoring System (s) and Institution (s) (Review and Assessment).....	275
Commentary on the Selected Sections of the Three Policies: An Analysis of the Table	276
If the Monitoring Measures referred to in India's National Water Policies Intend to Ensure Right to Water.....	277
5.5. Entitlement of Right to Water through Union Water Policies Of India: A Discussion.....	278
5.6. Summary.....	280
References.....	283
End Notes.....	284

Chapter Six: Conclusion and Suggestions

Introduction.....	285
6.1. Revisiting the Research Questions.....	285
6.2. Summary of the Main Arguments and Discussions.....	286
6.3. Limitations of the Present Research	305
6.4. Recommendations for Future Research and Policy Making	306
6.4.1. Directives for the Future Research.....	306
6.4.2. Suggestions to Policy makers	307
6.5. Contribution to Research	309
