

ACKNOWLEDGEMENTS

=====

I cannot adequately acknowledge my debt to the large number of individual who have directly or indirectly helped me to make this work possible.

I am deeply indebted to my previous guide Prof.L.J.Bhatt, the then Head of the Psychology Department, for his worthy guidance in selecting the topic of my research work and for his inspiring encouragement to start this work.

In October, 198 Prof.L.J.Bhatt left this country and I had the fortune of working under the guidance of Dr.N.S. Pathak, Reader, Department of Psychology. Most deeply, I acknowledge my indebtedness to him for his guidance at every stage of this work. It was one of the finest opportunities to work under his expert guidance.

I am grateful to Prof.D.M. Desai, Dean, Faculty of Education and Psychology, and Prof. A.S. Patel, Head, Department of Psychology, for giving all possible facilities and help to complete this work.

My thanks are also due to my colleagues for reading the manuscript and offering valuable suggestions. I am also grateful to Principals, teachers and authorities of different school for their co-operation and help in carrying out the field work.

I am equally obliged to the subjects who had their part in collecting the data for this work. I appreciate the style and ideas of Shri B.D. Mistry, who took special interest in typing this thesis.
